FIFTH RUSSIAN ARMY BLOCKS OTHERS' WAY IN PANICKY RETREAT

Are Running From German Advancing Forces in Disorderly Mob—Red Guard Detachments Sent Out From Petrograd—Soldiers Are Ordered to Destroy Ammunition

KRYLENKO THINKS PEOPLE CAN YET BEAT INVADERS

Latter Are Said to Be Small Detachments of Volunteers From Various Units—Courier Arrives in Berlin With New Peace Proposals—Negotiations With Roumania

LONDON, Feb. 22.—A dispatch to the Exchange Telegraph Company, from Petrograd, dated Thursday, says:

"The retirement of the Northern army is complicated by the fact that the fifth army is barring the road, encumbering it in disorderly retreat. To save the situation, the Bolshevik Government is sending Red Guard detachments from units which are not entirely disorganized.

"Pending the German reply to Trotzky's peace offer, the commander of the Western front has ordered the retiring armies to avoid fighting with the enemy and to destroy their ammunition."

Krylenko's Army

PETROGRAD, Feb. 22.—Sergeant Krylenko, the Bolshevik commander-in-chief, says that the people succeeded in throwing against the enemy concentrated masses of revolutionary citizens, who not only in accordance with military strategy, but also secretly, from every corner, everywhere, in small detachments and large battalions, will struggle for every town, street and house, where there are no forces which the Germans can successfully oppose against them.

The statement says that all able-bodied men must be ordered to work on fortifications and in the construction of obstacles along the route of the German advance. All bourgeois who resist must be tried and compelled to work. Registration facilities for the revolutionary army have been opened at all local councils and with the staff of the red army.

It is added that arms will be delivered by localities. Revolutionary discipline must be brought to the highest degree of efficiency by the handing over to the revolutionary tribunals all who do not obey the order.

"All to arms!" says the statement. "The general mobilization for the digging of trenches is ordered. The diggers will be under the orders of the councils, and every detachment will be commanded by responsible commissaries with unlimited powers.

The Russian commander on the North front reports the enemy advancing in detachments of from 100 to 200 men, taken from different regiments, showing that they are volunteers and not regular units.

Tentative Still Advance BERLIN, Feb. 22.—The official communication says: "Army group of General von Eichhorn—Eythonia, Hapsel has been captured. The First Estonian Regiment has placed itself at the disposal of the German command. In Livonia the German columns pressed on beyond Roonburg, Wolmar and the Germanic semicircle into Riebitzka amid the rejecting of the inhabitants. Then they pushed on to Lusia. Minsk has been occupied.

Army group of General von Lindeisen—Progress has been made in the maintenance and capture of the Esthonian front. At Novgorod-Volynki we came into touch with Ukrainian forces and other columns marching on Dubno.

Esthonia is one of the Baltic provinces of Russia and the German advance on an advance on the resumption of activities, giving the explanation that these provinces were largely German and that the Bolsheviks were persecuting the inhabitants.

Troops from Moon Island crossed to the mainland and captured several Esthonian towns and another force was taken by boat to Revel.

Try New Negotiations AMSTERDAM, Feb. 22.—A Russian courier with the peace proposals of the Russian Government has arrived in Berlin, according to advices received here. The Norddeutsche Allgemeine Zeitung, the German semi-official organ, says the reopening of the negotiations with the Russians cannot be expected for some time.

Dr. von Kuehlmann, the German Foreign Secretary, says the newspaper, will employ the interval in conducting negotiations which will be left for Bucharest Thursday. The Roumanian delegation already has arrived there.

According to the Lokal Anseher of Berlin, Dr. von Kuehlmann, the German Foreign Minister, has gone to Vienna, where he will be joined by Count Csernay, the Austro-Hungarian Minister. They will travel together to Bucharest, where they will open discussions of peace terms with General Fofosa Averescu, the Roumanian premier and commander of the Roumanian forces in Dobruza.

If the conference at Bucharest is ended in time, Dr. von Kuehlmann will proceed direct to Brest Litovsk to continue negotiations with Russia.

Trotzky "Miserable" LONDON, Feb. 22.—A dispatch to the Express from Petrograd, dated Thursday, says that Bolshevik Minister Trotzky started yesterday for

VICTORY OF JERICO EMBARRASSES TURKS

LONDON, Feb. 22.—(Via Reuter's Ottawa Agency.)—In connection with the capture of Jericho, a noteworthy fact is that the whole of the newly captured district was the private property of the Sultan.

With the capture of Jericho, General Allenby has made another stride forward in his task of clearing Palestine of the Turks. The place itself was before the war only a small collection of hovels, but tracks and roads which pass over a great concrete bridge which the Germans have built across the Jordan since the war began, and convenient ferries, made it an important military base, the capture of which gives the British another road leading northward to the Turkish base at Nabulus.

In addition, the city controls the road to the coast and the mountain way from Jerusalem. The Turks are also deprived of an important route of communication which enabled them to send troops to threatened sectors, and it is even possible that the Turkish forces have been completely separated.

NORWAY SECURES SUPPLY OF FOOD

Agreement Is Reached Between Scandinavian Kingdom and United States—Other Allies Are in Accord.

WASHINGTON, Feb. 22.—A complete economic agreement, in which Great Britain and the other Allied nations are in accord, has been reached between the United States and Norway. The terms have not yet been made public.

Announcement of the successful conclusion of negotiations between the war trade board and Dr. Frieidof Nansen, the Norwegian commissioner, which have extended over several months was contained in this statement issued by the board tonight through the committee on public information.

"The War Trade Board, acting in harmony with a similar decision of the British Government in regard to the Norwegian steamer Alfred Nobel, has decided to release the Norwegian steamer Kim, now lying in an American port, and permit it to proceed to Norway with its cargo of oil cake for foodstuffs, and other necessities. The Norwegian commissioner in the United States, has been informed of the decision, which was taken in view of the fact that the general negotiations with Norway have reached a point where nothing remains except the drafting of the agreement.

Both cargoes, that of the Alfred Nobel, comprising flour and other foodstuffs, were loaded in the Argentine and are covered by the Norwegian rationing agreement about to be drafted.

Although the terms of the final agreement have not been made public, Norway in a note handed to the War Trade Board February 14, in reply to a memorandum of the Board of January 26, acceded to most of the American demands. It refused, however, to agree not to export to the Central Powers many of its own products, including ingredients of munitions and supplies.

"On the remainder of the arrangements for Germany for many necessary commodities and had to furnish that country supplies in return.

whole front is reported in today's official announcement. The statement follows: "Heavy artillery fighting occurred along the whole front, especially in the regions of the forest of Pinon, Chevreux and the California plateau, (Alsace front) Butte du Meuil (Champagne front), and Hartmanns Wellerkopf (Alsace). There was no infantry action."

WITH THE AMERICAN ARMY IN FRANCE, Feb. 22.—(By the Associated Press)—Today the artillery bombardment was still more intense on the American sector northwest of Toul. Night and day enemy projectiles are falling in towns and have been directed at a number of strategic points. The damage done has been unimportant.

BERLIN, Feb. 22.—The official report reads: "Western theatre: On isolated sectors there have been artillery and trench mortar activity and minor counter-offensive engagements. On the Ypres-Roulers railway an English outpost was taken by surprise and captured.

"During the last three days twenty-four enemy airplanes and two captive balloons have been brought down in aerial fighting or by gun fire.

Heavy artillery fighting on the

NEW DEPARTMENT IS NOW CREATED

Soldiers' Re-Establishment to Be Under Direction of Sergeant Minister—Sir James Loughheed Is Head.

MILITARY HOSPITALS COMMISSION CHANGE

Will Hereafter Be Known as Invalided Soldiers' Commission—Distribution of Duties and Powers.

OTTAWA, Feb. 22.—Official announcement was made tonight by Sir Robert Borden of the creation of the new department of soldiers' civil re-establishment, of which Sir James Loughheed is to be the head, and F. B. McCurdy the Parliamentary Secretary. The appointments were finally dealt with by the cabinet council today.

Mr. McCurdy, who has been parliamentary secretary of Militia and Defense, has resigned that position in order to undertake these new duties. It is not intended to make any appointment to the parliamentary secretaryship of the Militia Department.

The Prime Minister also made public tonight the orders-in-council creating the new department and defining its functions, as well as those of the Militia Department, in connection with the care of returned soldiers. Under the new arrangement the Department of Militia and Defense will be responsible for hospital treatment up to the time when the soldier is discharged. It is, however, provided that during that period he may receive vocational training and instruction under suitable arrangements to be provided for the purpose and to be agreed upon between the minister of Militia and Defense and the Minister of Soldiers' Civil Re-establishment.

Invalided Soldiers Commission The Military Hospitals Commission will hereafter be known as the Invalided Soldiers Commission. Mr. McCurdy will be its chairman. Its responsibilities and duties have been extended to the provision of vocational training and instruction and rehabilitation in civil activities of all soldiers returned from the front, whether invalided or otherwise.

The Invalided Soldiers Commission will also have the responsibility and duty of providing hospital treatment and care for all returned soldiers from the date of their discharge. The distribution of military hospitals between the Militia Department and the new department has been arranged on this basis, and all hospitals, sanatoria and convalescent homes designed for soldiers requiring continuous treatment for a considerable period have been assigned to the Invalided Soldiers Commission, which, under the direction of the Minister of Soldiers' Civil Re-establishment, will recommend suitable regulations for the maintenance of order and discipline in such hospitals.

It is intended that the new department and the Invalided Soldiers will work in close co-operation with the provincial governments and with the various commissions which have been established in each province for the purpose of giving aid and of providing employment for returned soldiers.

Reason for Change This new arrangement has been arrived at as the result of long consideration by the Government of the difficulties involved in making suitable provision for returned soldiers. The steps taken in other belligerent countries have been carefully studied, and it is the belief that the arrangements will be found suitable and sufficient. It is understood that returned soldiers will be adequately represented on the Invalided Soldiers' Commission.

The duties and powers of Sir James Loughheed, as Minister of Soldiers' Civil Re-establishment, are defined in the order-in-council creating the department as follows:

1. The providing of hospitals, convalescent homes and sanatoria, whether permanent or temporary, for the treatment of invalided officers, non-commissioned officers, men or other members of the C. E. F. who have been honorably discharged therefrom, and the administration, control and direction of all such hospitals, convalescent homes and sanatoria, whether heretofore established or to be established.

2. The vocational, educational and other requisite training for civil occupation of all persons who have served in and who have been honorably discharged from the C. E. F.

3. The provision of employment and all such assistance therein as may be requisite or advisable for the returned soldiers, and generally for their rehabilitation in civil life and activities.

4. All matters relating to soldiers' pensions.

In regard to the latter it is provided that the powers and authority of the board of pension commissioners will not be interfered with. In this connection, it is explained, the new minister will be the connecting link between the pensions board and parliament, as the Minister of Finance has been up to the present time.

BOLSHEVIKI HOLD UKRAINE TOWNS

AMSTERDAM, Feb. 22.—The Koelnische Zeitung of Berlin reports that most of the large towns and railway centres in Ukraine are now in the hands of the Bolsheviks.

The main committee of the Reichstag today adopted the peace treaty between Germany and Ukraine.

MONTREAL JUDGE RULES ON EXEMPTION

MONTREAL, Feb. 22.—The Military Service Act was passed with a view of organizing the country, and not to divide it, said Mr. Justice Weller yesterday, during the hearing of an exemption appeal in the case of Eliezer Laporte, a student at the school of higher commercial studies in this city.

"The fact that the family has made sacrifices in order to give the draftee his education must be taken into consideration by the court. I will exempt the draftee despite the fact that similar cases are being heard at present on appeal by Judge Duff in Ottawa."

M. VANDERVELDE GIVES HIS VIEWS

Head of Belgian Socialists Says Party in Germany Now Has Chance to Redeem Itself—Bolshevik's Failure.

LONDON, Feb. 22.—Emil Vandervelde, representing the Belgian Labor party, presided at the continuation of the conference of the labor and Socialist parties of the Entente Allied countries today. M. Vandervelde said there were two great questions before the conference, namely, the elaboration of a common programme and the calling of a general international conference. On the first question agreement had virtually been reached, the speaker said. He added:

"The American Federation of Labor is the only party to the contract that is lacking. Its admission is indispensable, and measures must be taken to insure it."

Continuing, M. Vandervelde said: "We cannot ignore what the Bolsheviks have done to discredit their own country and international socialism."

But he added that it must not be forgotten what the Russian revolution had done for internationalism and Socialism.

"In the splendor of its first triumph it proclaimed those principles which were adopted by President Wilson and will form the basis of the democratic peace of tomorrow," M. Vandervelde declared.

In concluding, the speaker said German Socialists now have the unique opportunity to confess their Socialist faith, atone for their past failure and secure with the freedom for other countries their own freedom from militaristic and imperialistic oppression.

The personnel of the labor conference was completed today by the arrival of French and Italian delegates. It is understood that a complete agreement has been reached on the questions relating to a league of nations and future international economic policy.

PACKERS' YEAR IS SUCCESSFUL

Statement for Past Year Shows Great Increase in Income—Profits Are Better by 113 per Cent.

MONTREAL, Feb. 22.—The British Columbia Packers' Association, owned by the British Columbia Fishing and Packing Company, reports profits of \$548,231 for 1917, an increase of \$290,423, or about 113 per cent. over the return for the preceding year.

After allowing \$95,151 for depreciation, the balance of \$453,080 remaining represented earnings at the rate of 21 per cent. on the company's total capital stock, common and preferred, both of which are on an eight per cent. dividend basis.

The total surplus, \$1,347,945, is \$355,568 higher than at the end of 1916 and is equivalent to more than sixty per cent. of the par value of the capital stock. The balance sheet shows current assets of \$1,875,792 against current liabilities of \$199,895, leaving a working capital surplus of \$977,107, against \$675,720 a year ago.

AIRMEN OF ALLIES FLY ACROSS ALPS TO TYROL CAPITAL

Take Advantage of Fact That Innsbruck Is Not Defended by Anti-Aircraft Guns and Drop Many Bombs From Low Elevation—Important Buildings Are Struck.

BRITISH AND ITALIAN GUNS AND AIRPLANES INFLICT MUCH DAMAGE

BUCHS, Switzerland, Feb. 22.—(By the Associated Press.)—Five Entente Allied airmen, flying over the Alps on Wednesday afternoon, found that the town of Innsbruck, Austrian Tyrol, was not protected by anti-aircraft guns. The airmen thereupon swooped down to within 300 yards of the ground, picked out targets and copiously bombed them, including the railroad station, barracks and two new munition factories.

GERMANS ENSLAVE YOUNG BELGIANS

WASHINGTON, Feb. 22.—Official dispatches to the Belgian legation today told of the further commanding by the Germans of young Belgians for military work behind the German lines, and the firing of Louis Franck, a Flemish deputy, ten thousand marks for urging the Flemish people to resist German political intrigues.

At Renaix, an industrial town in Eastern Flanders, the dispatch said, 360 young men were seized, many being taken in the streets. Some had fled, and the Germans threatened to take old men unless the young ones returned.

Students were taken from an engineering school of Mons and sent to work at an aviation camp, while in Luxembourg, more than six hundred young men have been taken from villages for military work.

DOMINION TRUST CREDITORS MEET

Declare That Costs of Liquidation Are Scandalous, and Ask That Court Take Steps to Bring It to End.

VANCOUVER, B.C., Feb. 22.—The stormiest meeting ever held by Dominion Trust creditors was concluded this afternoon with two resolutions directed to the court, virtually the same, declaring that the costs of the liquidation are a scandal, and asking that some means be put forth by the court to put an end to the same.

"During the morning English aerial squadrons bombarded enemy aviation grounds north and south of the Oderzo-Portogruaro railway line.

"During the day three enemy airplanes were brought down in the course of aerial engagements, including one by British airmen."

WILL INQUIRE INTO TRANSPORTS

Court Consists of Col. Hulme, President, Major D. R. Morton, and Major Hicks—Evidence Is Invited.

OTTAWA, Feb. 21.—Details of the personnel, powers and scope of the court of inquiry named to inquire into the conditions on transports returning to Canada from overseas are given in Militia Department orders, with Lieut.-Colonel Hulme as president of the court. The other two members are Major D. R. Morton, late 15th Battalion, Toronto, and Major F. E. Hicks, 55th Battalion, Brantford.

The first sitting will be held in Ottawa as soon as Majors Morton and Hicks arrive here. The order empowers the inquiry to hold sessions from time to time at such other places as may be deemed necessary for the purpose of collecting and recording evidence in connection with conditions which have prevailed while transferring Canadian soldiers from England to Canada on board any transports or other ships heretofore chartered or used for that purpose, and especially with regard to discipline, accommodations, complaints and orders.

The court also will record evidence which in any manner relates to any bearing on this, and, says the order "the court will give such opinion as in their judgment the evidence calls for."

The evidence will be taken under oath and the proceedings forwarded to the acting adjutant-general.

The Militia Department announces that all officers and other ranks who desire to give evidence with respect to conditions on the transports on which they returned to Canada should forward their names to the officer commanding the district in which they now reside, in order that they may be notified to attend before the court.

WINNIPEG, Feb. 22.—The price of gas will not be raised in Winnipeg. A recommendation to this effect by the Public Utilities Commission is the result of an investigation into the gas situation in Winnipeg, instituted some time ago, following an application from the Winnipeg Street Railway gas department for authority temporarily to increase the price of gas in this city.

## CANADIANS ADD TO RAID RECORD

Letter From Sir Arthur Currie Describes Some of Their Exploits Which Served to Satisfy Enemy's Curiosity.

OTTAWA, Feb. 22.—A copy of a letter dated January 15, addressed to Sir Edward Kemp, by Sir Arthur Currie, commander of the Canadian Corps in France, has been received here. In this communication Sir Arthur writes:

"Ever since we left the north and came into this area the boche has shown the greatest curiosity to find what is in our minds, and with this end in view, he has attempted a great many raids in order to get prisoners. We have been going back at him very hard, and are now decidedly up to the deal.

"Last Friday we entered his trenches and captured two machine-guns, killing whatever Germans we ran across.

"Last Saturday morning we entered his trenches again in two places, capturing two prisoners, counted 15 dead Germans and estimate that we killed or wounded at least another 20 in his dugouts. We had three men slightly wounded.

"On Sunday night we went in again, brought out 11 prisoners, killed quite a few in his trenches, (13 known dead definitely) and had no losses of any sort in our own party.

"The same evening a party of five Germans attempted to rush one of our positions. Our fellows killed four and took the other prisoner.

"In another portion of the line we noticed that he was cutting wire on a certain part of our front all day Sunday. Appreciating the fact that this might mean a raid, a strong fighting patrol of ours left the trenches as soon as it became dark and went out in No Man's Land, waiting to see if he really did intend to raid. After a wait of about three hours sure enough along came the boche. Our fellows jumped up and tackled him. Instead of surprising us, we surprised him, killed a number and put the rest to flight.

"Last night we raided his trenches again, taking two prisoners and a machine-gun, killing a number and suffering only one slight casualty ourselves.

"You can gather from this that things have been reasonably active and our chaps are making the record a little better all the time. We received last night a telegram of congratulations from the army commander."

**Four People Burned in Shack**

CALGARY, Feb. 22.—That four people were burned to death in a shack near Oyen is the word received by Inspector Brankley, of the Mounted Police, from Constable Torrey, who was there at the time. The message arrived here early this morning. The constable knew no details, but merely the fact that someone had brought news of the tragedy, which occurred 20 miles south of Oyen. Constable Torrey informed the inspector that he would investigate and report.

## PLAN TO CLEAR WAY FOR OVERSEAS FOOD

MONTREAL, Feb. 22.—There is no danger of food famine in any part of Canada due to railway tie-up, as is feared in the United States, according to W. M. Neil, General Secretary of the Railway Board.

The condition overseas regarding food supplies, however, is such that for the next few weeks a food drive on an unprecedented scale is to be carried on by the Canadian railways in concert with the Admiralty, to supply the Allies in Europe. For some time now wheat and other food-stuffs for the seaboard will be given preference absolutely over all other commodities.

This will not have the effect, it is declared of interfering with Canada's own supply, but it will necessitate further reduction of passenger service. The plan which has been decided upon involves lengthening the time schedules of fast through trains, enabling them to handle local as well as through traffic and the cutting off of the local trains wherever possible. The schedules covering these changes will go into effect on the Canadian Pacific and Canadian Northern on Sunday and on the Grand Trunk Railway on March 3.

## WINNIPEG MOVIE MEN WAR WITH CENSORS

WINNIPEG, Feb. 22.—Moving picture film exchanges have comeled in Winnipeg in war upon the provincial censor board, and unless their demands are granted, the picture houses of this province, eighty in number, may be compelled to close for lack of films to exhibit in their theatres.

The managers of Winnipeg branch film exchanges, twelve in number, complain that the censor board is unreasonable in its judgment of films, especially comedies, submitted to them and that the opprobrium "vulgar and suggestive" is applied to many harmless films as the reason for their being prohibited.

A one-man censor board is demanded instead of the present board of one man and two women, with an appeal board consisting of one representative from such societies as the M. C. A. and Knights of Columbus. Unless the Department of Justice takes action along these lines, the film exchanges threaten to close their shops in this province after March 4, and notice to this effect has been sent to all film exhibitors in Manitoba.

## MANITOBA DOWER LAW WILL BE AMENDED

WINNIPEG, Feb. 22.—In compliance with requests of a delegation from the Manitoba home economics society which waited upon the Government yesterday, the Government has decided to amend the dower law when it reaches the law amendments committee.

The amendments will extend the present limits of a wife's interest in the homestead, and the word "homestead" will be interpreted as meaning, in the rural parts of the Province, a half-section of land.

In cities, towns and villages the present draft of the bill limits homesteads to not more than four city lots upon which the home stands. The amendment will extend it to take in the rural parts of the province in extent upon which the home stands.

The delegation also asked that a clause be added giving married women the right to will life interest in the home to their children. As the bill now stands, they have a life interest in the home, but cannot be anything with it. The bill comes up next Tuesday for consideration.

## AUSTRALIAN DEFENCE IS UNDER REVIEW

MELBOURNE, Feb. 22.—(via Reuter's Ottawa Agency)—An interim report of the royal commission on the administration of the Defence Department pays tribute to the labors of the department, but recommends the immediate remedying of the defects of the system.

It estimates the value of the excess stocks of boots and clothing for the Australian forces at \$1,250,000. It recommends reconsideration of the policy of extensively shipping military clothing from Australia, elsewhere, and considers the formation of a permanent military clothing cooperative.

Hon. Mr. Pearce, Minister of Defence, replying to the criticisms of the department, refers to the rapid and enormous expansion of the Defence Department and the difficulties regarding estimated requirements. He admits temporary overstocking on two occasions owing to causes beyond his control.

## Scottish Miners' Decision

GLASGOW, Feb. 22.—The Scottish miners at a conference held today decided by a large majority against the Government plan to pass a bill under which more miners would be called to the army.

## A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for quick results. Ready and cheaply made.

The prompt and positive action of this simple, inexpensive home-made remedy is quickly healing the inflamed or swollen membranes of the throat, chest or bronchial tubes and breaking up tight coughs and colds. It is used in more homes than any other cough remedy. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in the throat stops and you get a good night's restful sleep. The usual chest and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, whooping cough, bronchial asthma, or winter colds.

To make this splendid cough syrup, pour 2 1/2 ounces of Pinex (50 cents) into a quart bottle. Add 1/2 cup of honey and shake thoroughly. You then have 16 ounces—a family supply of a much better cough syrup than you can buy ready-made for \$2.50. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated essence of genuine Norway pine extract and is known the world over for its promptness, ease and certainty in overcoming children's coughs and chest colds.

To avoid disappointment, ask your grocer for "2 1/2 ounces of Pinex with 1/2 cup of honey, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded.

Stand behind the men standing behind the gun trained on Germany. Send your subscription to the Patriotic Aid Fund.

## BRITISH FORCES CAPTURE JERICHO

Occupy Town That Dominates Jordan Valley, Meeting Little Resistance—Casualties Are Reported to Be Slight.

LONDON, Feb. 22.—The British have captured Jericho, in Palestine, the War Office announced today. The text of the communication follows:

"Yesterday morning, after an uneventful night, our forces operating east of Jerusalem resumed their advance toward Jericho. Little opposition was encountered, and at 8:30 Australian mounted troops entered the village, subsequently establishing themselves on the line of the Jordan and the Wadi Ajia.

"The weather continues bad, with mist and heavy rain.

"Our casualties in the fighting Wednesday were slight. Forty-six Turkish prisoners were taken between Tuesday and Thursday.

"North and west of Jerusalem our advanced positions were slightly extended and secured."

Since the capture of Jerusalem the British have been pushing ahead steadily, striking out to the north and east. Official statements from London the past few days had reported rapid progress, and apparently the Turks are not making a very determined resistance.

Aside from its historical importance, in connection with the British plans to free the Holy Land from the domination of the Turks, the capture of Jericho is of little significance. It consists merely of a group of squalid hovels and a few shops, with 300 inhabitants. Its chief strategic value lies in the fact that it gives the British domination of the valley of Jordan, and also controls a network of highways radiating from the town.

A further advance eastward of 25 miles, however, would take the British to the railway from Damascus to Mecca, which would cut off the Turks' line of communication with Arabia and greatly assist the revolting Arab tribes which are co-operating with the British. Jericho is near the northern extremity of the Dead Sea, 14 miles northeast of Jerusalem.

The ancient Jericho, which was situated in the west of the modern city, was a town of considerable size. It was the first Canaanite city to be reduced by the Israelites, who, the Biblical story relates, encompassed its fall by the blowing of trumpets.

## EASTERN SCHEMES OF C. N. RAILWAY

TORONTO, Feb. 22.—Evidence in the C. N. R. arbitration turned this morning from the Western to Eastern lines. L. T. Fritch, who for four years was general manager of the lines east of Port Arthur, took the stand. As assistant to the president, he inspected the entire lines and was in charge of projects of development.

Toronto, he said, had felt the pressure on the Niagara gateway—the effort to get 3,000,000 tons of coal a year through the too long for a C. P. R. and G. T. R. alone. The C. N. R. has discussed with the Pennsylvania railroad the extension of that road from Buffalo to Niagara Falls. The C. N. R. under the plan was to extend from Toronto to Niagara Falls, and the roads were to be united with bridge over the Niagara River. The scheme embraced a car ferry from Port Dalhousie to Toronto that would cut off the haul round by way of Hamilton. Connections would be obtained for the C. N. R. for the Michigan Canal and the Wabash roads.

Mr. Fritch surprised the arbitrators with the announcement that a scheme also had been under discussion with the Pennsylvania for a car ferry from Sodus Point, N.Y., about thirty-five miles west of Oswego, to Veller's Bay, Ont., near Trenton. Hitherto all plans for a car ferry at this end of the lake named Oswego as the United States terminus, and somewhere near Cobourg or Port Hope as the Canadian terminus.

## MORE MONEY NEEDED TO CARRY ON WAR

LONDON, Feb. 22.—(via Reuter's Ottawa Agency)—Chancellor Bonar Law, in a circular letter, says: "I have come once more on behalf of this country to ask the people of this country to place their financial resources at the disposal of the state in order that we may have the means to carry on the war to a successful conclusion.

"Last year I made a similar appeal, and the unprecedented success of the war loan afforded overwhelming proof to both the Allies and the enemy that the people of Great Britain are united in their determination to do their duty in the struggle for liberty and justice which Prussian arrogance forced upon the world.

"At this moment it is more important than ever that we at home do our part in support of the great cause for which those dear to us are fighting and suffering.

"The result of the week-to-week borrowing has hitherto been most encouraging, and I am confident you will save all you can and deposit your money direct with the state by buying national war bonds."

## BANK WILL ASSIST BRANDON'S FINANCING

WINNIPEG, Feb. 22.—The manager of the Brandon branch of the Imperial Bank of Canada has denied the report that his bank had refused to extend further credits to the City of Brandon. He states that the request from the City of Brandon for the usual accommodation for the coming year is being considered by the head office of the bank; that everything points to the usual amicable agreement in regard to the year's financing being arranged between the city and the bank, and in the meantime there is no friction between the two.

**Ontario's New Loan**  
TORONTO, Feb. 22.—Hon. T. W. McQuay made his promised statement to the legislature this afternoon regarding the new provincial loan. The province, he announced, would get three million dollars at a net cost of 4.3166 per cent. It was the best loan placed by any government, other than that of the Dominion, in the last twelve months.

### Miss Gregory's Dependents

WASHINGTON, Feb. 22.—Miss Jane Gregory, daughter of Attorney-General Gregory, applied to the Food Administration this week for an \$80 a month job, giving as reference Colonel E. M. House and her father. Miss Gregory told the employment clerk she had three dependents. "Three dependents," gasped the clerk incredulously. "Oh, yes," she replied, "I've adopted and am supporting three Belgian children." Miss Gregory got the job.

**National Party in Britain**  
LONDON, Feb. 22. (via Reuter's Ottawa Agency).—The Imperial policy adopted by the national party advocates closer Imperial unity, with permanent machinery; secondly, unity of the Empire in defence and the policy of mutual aid with a view to the development of natural resources, staple foods and raw materials; thirdly, the investment of British capital within the Empire; encouraging the flow of immigration to the Dominions and the establishment of permanent machinery for overseas land settlement. The policy finally condemns the injustice of the double income tax.

### STRUGGLE VAINLY IN GERMAN NET

Puerile Leninists Begin to Feel Feet of Invader Trampling Out Their Power—Call for Defence Too Late.

LONDON, Feb. 22.—In a proclamation announcing that they had agreed to sign the German peace terms, the people's commissaries declare they are firmly convinced that the German working classes will not permit the Russian revolution to be crushed by the militarists. Appeals are made to local committees to increase efforts to reorganize the Russian army.

The proclamation, which is addressed to Russian workmen and peasants, says:

"We agreed to sign peace terms at the cost of enormous concessions in order to save the country from final exhaustion and the ruin of the revolution. Once more the German working class, in this threatening hour, has showed itself insufficiently determined to stay the strong criminal hand of its own militarism. We had no other choice but to accept the conditions of German imperialism until a revolution changes or cancels them.

**German Scheme is Delay.**

"The German Government is not hurrying to reply to us, evidently aiming to seize as many important positions in our country as possible. The enemy has occupied Dvinsk, Wenden and Lutsk, and is continuing to advance by buying the most important centres of the revolution.

"We even now are convinced firmly that the German working classes will rise against the aims of the ruling classes to stifle the revolution, but we cannot predict with certainty when this will occur. The German imperialists may not hesitate at anything for the purpose of destroying the authority of the councils and taking the land from the peasants.

"The commissaries call on all loyal councils and army organizations to use all efforts to recreate the army. Elements of bourgeois marauders and cowards should be expelled from the ranks, and, in the event of resistance, wiped out.

"The bourgeoisie, who, under Kerensky and the Czar, evaded the burden of war and profited from its misfortunes, must be made to fulfill their duties by the most decisive and merciless measures.

**Reorganization for Defence.**

In the appeal for reorganization of the defence of the revolution against Germany, the council of commissaries say:

"The Socialist fatherland is in danger. In order to save the country in its exhaustion from further trials of war we resigned ourselves to make peace with the imperialists. Our delegates on February 20 left Reginsky for Dvinsk, but up to the present no news from them has been received.

After stating that it is the duty of workmen and soldiers to defend the republic to death, the appeal continues: "German militarism wishes to smother the working classes and the Ukrainian masses to give back to the landowners the land, factories and workshops to bankers, and the power of a monarchy."

Following are the points urged in the appeal:

- 1—All the forces in the country in their entirety must place themselves at the service of the defence of the revolution.
- 2—All the councils of workmen's and soldiers' revolutionary organizations must enter into the consociated defence of each position to the last drop of blood.
- 3—Organizations of railroads and the soviets connected therewith are obliged with all their strength to check attempts of the enemy to profit by the equipment of lines of communication. In their retreat they must destroy the railroads and blow up the stations. All rolling stock and locomotives must be sent eastward into the interior of the country without delay.
- 4—Corn and provisions in general are placed on the same footing as valuable property when in danger of falling into the hands of the enemy, and must be destroyed without hesitation. The local soviets must see that these decisions are carried out, and the responsibility falls on their representatives.

**To Dig Trenches.**

- 5—Workmen and peasants of Petrograd, Kiev, and in other villages and hamlets on the line of the new front, must raise battalions to dig trenches under direction of the military Socialists.
- 6—All members of the bourgeoisie class, the women as well as the men, must enter these battalions under surveillance of the Red Guards, and in case of resistance must be shot.
- 7—All institutions which offer resistance to the action of the revolution and pass to the side of the German bourgeoisie, or which have a tendency to profit by the invasion of the Imperialist masses in order to overthrow the authority of the soviets, must be closed. Directors of aid and collaborators with these institutions who are capable of work, must mobilize themselves to dig trenches and engage in other defensive works.
- 8—Foreign agents and speculators are counted as revolutionary agitators, and German supporters must be shot at sight. The Socialist fatherland is in danger. Long live the national Social revolution.

struggle to the death or victory for us is inevitable," says an official statement issued today. "The people's heroism must be opposed to the advancing enemy," it is declared.

**Government Ownership Negatived**  
WASHINGTON, Feb. 22.—Champions of government ownership lost by an overwhelming vote in the Senate yesterday their fight for indefinite control of the railways by the government after the war. An amendment to the administration railroad bill offered by Senator Johnson of South Dakota, and providing that government control should continue until Congress otherwise orders, was defeated, 61 to 10.

### ROYAL CITY MEN TALK ABOUT IRON

Representatives of Business Interests Pass Resolution Calling for Action by Government—Radical View.

NEW WESTMINSTER, Feb. 22.—That the Provincial Government be asked to enact legislation empowering the Minister of Mines to expropriate all iron mines and mining claims in British Columbia which had been acquired in any way from the Province was the feature of a resolution passed unanimously last evening at a representative meeting of the business interests of this city.

The meeting was called to discuss development of the iron and steel industry in British Columbia, and is one of a series of meetings being held to arouse public interest in this question. Mr. J. A. Cunningham, honorary president; and Mr. George Bushby, president-elect, of the B. C. Manufacturers' Association, addressed the meeting.

The resolution adopted by the meeting was most comprehensive. It requested the Provincial Minister of Mines to engage independent qualified mining engineers and metallurgists to report on the iron deposits in British Columbia, the necessary appropriation for this work to be made at the present session of the Legislature. It asked that the Government place a reserve on all unrecorded mineral lands in British Columbia.

Going still further, the resolution asks for legislation empowering the Minister of Mines to prospect for, develop and dispose of iron ore on all claims which had been acquired in any way by anyone from the Province of British Columbia. It asks for provision for the expropriation of all iron mining claims, plants and machinery, subject to suitable compensation to the owners.

In conclusion, the resolution asked that all iron ores mined under the above powers, whether by the Government or by a private company, shall be manufactured and converted into commercial iron within this Province.

The imperative necessity for the people of British Columbia to develop the great natural resources of the Province if the heavy bonded indebtedness of cities, districts and the Province at large is to be met, was emphasized by J. A. Cunningham in an inspiring address. He deprecated the real estate boom of the past, and expressed the belief that large industrial payrolls was the only solution of our heavy financial problems.

THE PACIFIC GREAT EASTERN.

The Minister of Railways has reached a tentative agreement with the Pacific Great Eastern Railway Company, whereby the Government will take over the road.

Clearly it is impossible to speak with authority on the subject until it is known what the Government proposes to do with the railroad.

MILITARY LEADERSHIP

What this war has yet to produce is a general capable of commanding such large armies as are in action today.

Some years before the present war Lord Kitchener, in conversation with a correspondent, spoke of the great masses of troops which would be employed in a modern European struggle.

Russia, during one stage of the war, had enough men under arms to swamp Europe, yet they could accomplish nothing which brought victory nearer.

It would be premature to say that it is impossible to devise means to make great masses of men, under the present system of warfare, the instrument of victory.

THE TAX SALE QUESTION.

We do not believe for a moment that any process of intimidation will lead the City Council to reverse its attitude on a 1914 tax sale.

This last point is most essential. It may be that when relief is provided for future payments, it will be decided to hold a 1914 tax sale.

ITALY'S SHORT RATIONS.

The serious food situation in Italy has been pointed out by Signor Silvio Crispien, the Italian Food Minister.

Italy is now passing through her hardest months from the food standpoint. If the danger-point is passed, as it will be under a well-organized food distribution scheme.

surplus of women, caused by the war, has aggravated the danger of permanent spinsterhood so that it is proposed to guarantee girls against the possible poverty of husbandless days.

WIN-THE-WAR LEAGUE HEARS LAND SCHEMES

Proposals for Women's Labor on Farms and Land for Soldiers Will Be Inquired Into by Special Committees.

At the meeting of the general committee of the Win-the-War League in the Belmont Block, last night, Mrs. Wilkinson made a suggestion that the League support the utilization of women's work on farm lands this summer.

Mr. E. Buss submitted a resolution asking the Government to allot the natural resources of the Province to the returned soldiers.

Mr. B. J. Perry gave notice of a resolution dealing with the question of men of military age who are now employed in munition work.

"MANDARIN" AT DUNCAN

"The Mandarin" Company will leave town this afternoon for the 3:30 E. & N. train for Duncan.

At the outbreak of measles at the Willows Camp and the throwing of most of the officers and men into quarantine, Capt. Cullen, who cleverly sustained the role of "Li Low," financial adviser to "Go Hang."

CAPT. VERRINDER AGAIN HEAD OF CONSERVATIVES

Is Unanimously Re-Elected President of Local Association—Time Not Ripe for Union Idea in B. C.

By the unanimous vote of a fully-attended convention Capt. R. Ford Verrinder was re-elected president of the Victoria Conservative Association.

A feature of the meeting was an hour's address by Mr. W. J. Bowser, K.C., leader of the Conservative opposition in the Provincial Legislature.

The annual report of President Verrinder referred to the continuation of the war and the increasingly glorious record of the Canadian forces.

While it was agreed, the president's report went on, that Federal union was an imperative necessity.

Mr. Bowser spent some time dealing with the record of the Government, of its pretensions to purity and its utter failure to live up to its promises.

Resolved, that this Association in convention assembled, pledge its fealty to the Unionist Government of Canada.

A resolution extending congratulations to Senator Barnard on his recent well-earned preferment.

FAIL TO GET LOWER RATE; ACCEPT OFFER

A resolution submitted to the City Council yesterday by Mayor Todd calling for the acceptance of the offer of the Bank of British North America.

MILITARY NOTES

Harry Thornton, a member of the original Princess Patricia Canadian Light Infantry, and who for some time has been at Esquimalt Convalescent Hospital under treatment for shell shock.

selected at the nominating convention. The Conservatives had been absolutely sold behind Dr. Tolmie, the "Convention" choice.

Mr. Bowser paid tribute to the late Sir Richard McBride, Jr. and touched upon the resolution suggesting a union administration in Provincial affairs.

Mr. Bowser declared the Liberals are organizing to be ready for a general election to be sprung after the passing of the new elections act.

The claims of the Liberals to credit for giving the vote to the women was scouted by Mr. Bowser.

Annual Gathering Being Held Today at Room 218 Belmont House, 9:30 a.m. Interesting Papers Promised

The annual meeting of the British Columbia Entomological Society is to be held today at room 218 Belmont House.

After report by the secretary and an address by the president at the morning session, the following subjects will be taken up:

Notes on the classification and bionomics of the hemiptera, W. Downes; (a) Collecting in the Lillooet district, (b) A trip up Mt. McLean, A. W. Phair; Life history of paraphaga praesens Gt. G. O. Day, F.E.S.; Parthenogenesis of the Honey Bee, Williams Hugh; Insect notes of the year, R. C. Treherne, B.S.A. At the afternoon session the sub-

jects will be: Notes on the mycetophilidae of B.C., R. S. Sherman; A revision of the B.C. species of the genus hydromena based on the character of the male genitalia, E. H. Blackmore; Notes on the Aeotheptidae, R. C. Treherne, B.S.A.; A trip through the Fort George district, W. B. Anderson; Natural control investigations in British Columbia, John D. Tothill.

**Will Pay Riot Damages**  
**QUEBEC, Feb. 22.**—The civic finance committee decided last night to settle accounts for damages caused last summer during the anti-conscription riots, to the residence of Hon. Albert Sewany and the L'Evenement building. The former account was for \$325 and the latter for \$255. The city already has settled for the damages to the Quebec Chronicle building.

### SAYS 1914 TAX SALE WILL BE COMPULSORY

Ald. Andros Claims Private Bill Will Be Sidetracked and Bank's Loan Refused if the City Fails.

Ald. Andros, probably the most resolute advocate of a 1913-1914 tax sale in the City Council, yesterday drove at his goal from a new angle. He declared that, unless the council agreed to include in this year's bill a stipulation that is delinquent in 1914 taxes, the Bank of British North America would refuse to advance the million dollars on March 1 to redeem the city's treasury certificate, and further, that unless the same stipulation is made the Provincial Government would not pass the private bill authorizing the negotiations.

Mayor Todd also expressed the belief that the Council would be forced eventually to agree on a 1914 sale.

No Vote Possible.  
No vote could be taken yesterday, as three aldermen were not present when the matter was introduced. It will come up again for consideration Monday night.

A letter read from Mr. D. Dolg informing the Council that the general manager of the Bank of British North America had requested to be notified by wire of the city's decision on the tax sale issue, induced Ald. Andros to give his views on the situation.

He contended that the condition was a perfectly reasonable one, and that the bank had justification in 1914 mandating that the city include in its property tax a provision that if the bank's request to sell both 1913 and 1914 delinquent property was declined, the Government would refuse to pass the private bill and Victoria would be in the same category as other municipalities and have to offer property in arrears up to 1916. "If the bank wants us to do a certain thing in this matter we have got to do it," said the Mayor. "We might as well face the situation gracefully, for we are in a position where the choice is not in our hands. Action to take in 1914 is going to be forced on us by outside forces, the bank or other interests, and we might as well face the music now."

**Must Have Relief First**  
"I will never vote for a 1914 sale until I know that adequate relief has been provided," declared Ald. Peden. "As far as Ald. Andros' suggestion about the refusal to pass the private bill is concerned, I don't see where he got his information, and his talk

### Good Health

doesn't interest me. The private bills committee hasn't even met yet, and Ald. Andros must have a remarkable source of news if what he says is right."

It was decided to let the matter stand over till Monday. Those who oppose a 1914 sale base their stand on the futility of trying to sell large amounts of property when more provision for relief has been made for future payments of local improvement assessments. The joint committee of the City Council and the Board of Trade, however, was in a position to place recommendations before the Council on Monday in which are incorporated some of the principles of Ald. Sargent's scheme for extension of time. It may therefore be possible to reach a definite settlement on Monday.

### AGREE ON BASIS OF P.G.E. SETTLEMENT

Cabinet Considers Terms as Tentatively Agreed on Between Minister and Company—Sanction Required.

Following lengthy discussion between representatives of the company and the Minister of Railways yesterday morning, a basis of settlement was reached, and at a meeting of the Executive Council in the afternoon the terms of settlement were considered and tentatively approved. The details were wired to Premier Brewster, who is now on his way back from Ottawa, and it is expected formal approval of the settlement will be given by the cabinet on Monday. But before any settlement can be finally made between the company and the Government, legislation to that end must be passed at the forthcoming session of the Legislature, which re-assembles here on Tuesday of next week.

The basis arrived at between the company and cabinet, after long negotiations, which at one time looked as if nothing would spring therefrom, calls for the company handing over to the Government, on a long-term basis, the whole of the railway enterprise as it exists today, including the equipment which is held by the P. G. E. Equipment Company, a subsidiary concern of the railway company. The company is to pay \$500,000 cash, at once, \$250,000 at the expiration of four months, and give bonus for \$150,000, expiring two years after the termination of the war. But in respect of the townsites owned by the P. G. E. Development Company, a subsidiary concern of the P. G. E. Railway Company, an arrangement has been made in the nature of a double option has been made. It gives the company the right at the end of two years to retain the lands, while it gives the Government the right to say whether the company shall have them or they shall be kept by the Government. If the Government decides that the company shall take the lands, the company must meet the bond, which means that, in all, it shall pay \$900,000. But if the Government insists upon keeping the lands, despite the company's offer, then the company pays but the \$750,000 in cash.

These terms were discussed at length with the Minister by Mr. R. T. Elliott, K.C., counsel for Mr. Pat Welch, and Mr. R. J. Cromie, on behalf of the railway company.

Hon. Mr. Oliver stated yesterday afternoon that he believed the settlement was the best which, under all the circumstances could be secured. Personally he would be glad to see it accepted by the Legislature and an end to the long dispute with the company reached. The settlement, if accepted by the House, will, of course, put an end to the pending litigation which was commenced early last year against the company and the contractors and against the officers of each in their individual capacities.

On the point of the operation of the operation of the road, which was closed down last Saturday night, Hon. Mr. Oliver stated that whatever action towards that end may be taken would be a matter for the Government and not for the company. But until the agreement was ratified by the Legislature, the Government would hardly be in a position to undertake operation of the road. Whether, to permit of operations being resumed at once, some arrangement might not be made with the company to the end that the service may be given now, the Minister was not in a position to make any definite statement.

**Crew of the Struria Loaded**  
**AN ATLANTIC PORT, Feb. 22.**—All the crew of the British tramp steamer Struria, a coal barge, left on board the United States coastguard ship. There were 47 in all.

**Senator Gillmor Dead**  
**MONTREAL, Feb. 22.**—Hon. Daniel Gillmor, a New Brunswick representative in the Senate, died at his home here this morning from heart trouble. He was born July 1, 1845, at St. George, N. B.

**A Clergyman's Wife Wants Women to Know Advantages of Internal Bathing**

If women could only see the thousands of letters Dr. Tyrrell has received from grateful women in all parts of the world, thanking him for his wonderful invention for internal bathing, they would soon discard the medicine bottle and look to the cause of their trouble. 85 per cent of all human ailments are due to accumulated toxins in the Colon or Large Intestine. Warm water, properly used with the "B. B. Cascade," will relieve the cause of your troubles and perfect health will follow.

**Don't Look for Profits**  
"We are not looking for profits in war-time," reminded Ald. Dinsdale. "We are helping our country by increasing production. Dollars and cents shouldn't be talked about when the stake is so great."

**Don't Look for Profits**  
Ald. Porter then challenged the feasibility of any kind of a pig-raising plan for Victoria. He said that production of pork had fallen down throughout the Northwest because it was found to be unprofitable. He believed that hogs would drive away the tourists that the city's precious dollars had been spent in attracting them. He thought that pig-raising would simply be borrowing trouble.

### WOULD GIVE VICTORIA PIGS MORE FREEDOM

Aldermen Object to Close Restrictions in Newly-Drafted Plan—"Keep a Cow" Campaign Suggested.

The clause in Mayor Todd's new "Keep a Pig" scheme which stipulates that hogs cannot be kept within a hundred feet of a dwelling was the target for remarks from several aldermen when the proposal was submitted to the City Council yesterday afternoon. The matter was tabled until next Monday for final action.

In introducing his recommendations, which were printed in yesterday's Colonist, the Mayor mentioned that a twenty-foot limit was observed in Oak Bay, and that all other by-laws in that municipality respecting the keeping of pigs had been repealed for the time, with only the general health regulations effective.

**Too Many Restrictions**  
"You are defeating the very end you are seeking by setting so many restrictions," declared Ald. Andros. "If Victorians do go into raising pigs on any considerable scale—and I question whether they will—they should not be forced to labor under any such interference as is proposed by the hundred-foot limit. The more restrictions you have the fewer pigs will be raised, and there is no more reason why a pig kept on a lot a hundred feet square should be more of a nuisance than one on a 60 x 120 foot lot. Anybody ought to know that you can't go in a piggy with dancing pumps on and come out smelling as the rose."

Ald. Andros favored following the example set by Oak Bay. That he was satisfied to leave the matter with the Medical Health Officer and that conditions in Oak Bay were in such a different to what they were in the city, was the statement of Ald. Dinsdale.

**A Little Drastic Perhaps**  
The Mayor admitted that the recommendations were possibly somewhat drastic, but he thought it was best to be on the safe side in bringing in such an innovation. If it was found to be too strict, after a few months' operation it could easily be amended.

"But no one will start keeping pigs on this basis," said Ald. Andros. "Oh, yes, they will," chorused the Mayor and Ald. Porter.

Ald. Porter then challenged the feasibility of any kind of a pig-raising plan for Victoria. He said that production of pork had fallen down throughout the Northwest because it was found to be unprofitable. He believed that hogs would drive away the tourists that the city's precious dollars had been spent in attracting them. He thought that pig-raising would simply be borrowing trouble.

Ald. Porter suggested that if "keep a cow" was substituted for the "keep a pig" slogan he would gladly support the agitation. Butter and milk were two essential commodities, and cows weren't so objectionable as hogs. The motion of Ald. Sargent that discussion be deferred until Monday night was adopted.

**SHOULD APPLY NOW FOR LOT PLOUGHING**  
Applications for vacant lot ploughing will now be accepted at the city engineer's department, it was announced yesterday at the city hall. Those desirous of placing orders are advised to act promptly, so as to facilitate the work of the Increased Production Committee, and prevent last-minute congestion.

The charges set by the city for lot preparations is as follows: Ploughing, \$1.75; discing, 75c; harrowing, 50c. These prices apply to lots 60 by 120 feet.

Next Tuesday night has been set for the opening campaign meeting of the Increased Production Committee. It will be held at the Victoria High School auditorium, beginning at 8 o'clock, and addresses will be made by practical farm experts on the fundamentals of city lot production.

**Mayor Martin on His High Horse**  
**MONTREAL, Feb. 22.**—Mayor Martin at a meeting last night in connection with his majority campaign blamed Premier Gouin and his deputies and ministers for Montreal's bad financial position. The time had come for Sir Lomer to go, he said. A requisition, said to have 25,000 names on it, was presented at the meeting, asking the Mayor to run for a third term. He replied in the affirmative.

Entertainment in March—On March 4, there will be an entertainment in the First Presbyterian Church, the proceeds of which will be given to the Blue Cross and Returned Soldiers' Flower Guild. Miss Clark, a returned V. A. D. nurse, has promised to address the audience, and arrangements are being made to have one of the well-known returned veterans of the present war also among the speakers. Mrs. Longfield will sing.

Wild Weather Prevails—The mild weather predicted by Mr. Napier Denison, superintendent of the meteorological observatory, set in yesterday and was prevalent all over the country. The maximum temperature in Victoria yesterday was 43 degrees, and it will go higher rapidly, as temperatures were rising last night all over the Province. In Oregon and California temperatures were over 50 degrees. The change of weather is not confined to this Province; a Chinook has been experienced in Alberta, and at Edmonton and Calgary yesterday temperatures were over 50.

and at Winnipeg it was over 40 last night, mild weather spreading all through the Prairies. Down South it remained cold, Memphis still reporting frost, but the mild weather is rapidly spreading southwards. Even if it should rain for the balance of the month here, Victoria would have no cause to complain of the amount of sunshine allotted to her for the month of February. Up to sunset of yesterday there were 11 hours of bright sunshine recorded at the observatory; the average for February is 7 1/2 hours, so that 7 hours more than the average have already been enjoyed.

Water for Quarantine Station—The City Council yesterday ratified the agreement drawn up between the city and the Dominion Government for the supply of water to the Quarantine Station at William Head for a period of twenty-one years. Preparations are now being made to lay a ten-inch main that will connect the station with the reservoir at Sooke.

## KEWPIE KORNER

By Rose O'Neill

A Kewpie remarks that there's no knowing What Hats will do when Winds are blowing, And Parson Jones' stately pacing May quickly change to mad hat-chasing— "I'll be a quarterback," says he, "And head off hats that off heads flee!"

Copyright, 1918, by Rose O'Neill.

## THE CITY AND DISTRICT IN BRIEF

Victoria Clearing House—Total clearings for week ending February 21, \$1,662,158.

Road Tax Ratified—The annual city road tax by-law was passed by the Council yesterday afternoon. The provisions of the statute are the same as last year.

Committee Meetings—There was a meeting of the finance committee of the building and grounds committee of the School Board on Thursday afternoon, when several matters were discussed at length, the results to be reported at the next meeting of the trustees.

Full Measure For Cordwood—A letter from Mr. G. Jeeves complaining against the alleged practice by cordwood sellers of delivering short measure to purchasers was referred by the City Council yesterday to the fair weights commissioner.

Court of Revision—Ald. R. J. Porter's motion setting the date of the court of revision on 1918 assessments for March 21 was tabled yesterday until Monday. It was found that the tentative date did not permit of the necessary thirty days' notice.

Blue Cross Dollar Day Special—The members of the local Blue Cross committee hope that Victorians shopping for Dollar Day bargains today will find it possible to buy some raffle tickets on the doll's carriage donated to the Blue Cross fund by Agnes Guy and "Bumpus." It is on exhibition in the window of Richardson & Stephens, corner Government and Yates Streets.

For False Pretence—Morgan Terrell was arrested yesterday by Detectives Carlow and Macdonald on a charge of having secured money by false pretence. It is alleged that he collected \$30 from a woman resident of the Hollywood section for treating her for a complaint, but that his treatment was actually a fraud. The prisoner will be arraigned in the police court this morning.

Preaching in Vancouver—Rev. John Gibson Innes left at 10 o'clock for Vancouver, where he will conduct an evangelistic campaign among the children in the Central Mission during the next two weeks. He will act under the auspices of the Ministerial Association. Rev. Richmond Craig, in charge of the Vancouver Central Mission, will take the services at the First Presbyterian Church tomorrow in Mr. Innes' absence.

Experimental Garden—Plans are under way in Vancouver to open an experimental farm and open-air agricultural college in the old court house square. The scheme is under the joint consideration of Superintendent George D. Ireland of the City Relief Department and the Agricultural College at the British Columbia University.

W. C. C. Meeting—A special meeting of the Women's Canadian Club will be held in the parlour of the Y. W. C. A., corner Douglas and Courtney Streets, at 3 o'clock next Tuesday, February 26, to consider the organization of home canning clubs. Mr. Alfred Carmichael, manager of the Vancouver Island Fruit Lands, Ltd., will give an address. As the subject is of vital interest to the women of Victoria, a full attendance is anticipated.

Conservation of Life—A meeting of the Conservation of Life League has been set for next Tuesday night at 8 o'clock in the Y.M.C.A. rooms. Addresses will be made by Dr. Thos. Miller, Dr. Ernest Hall and Dr. A. G. Miller, Medical Health Officer. Discussion will be devoted to matters relative to the prevention of small-pox and other contagious diseases, which the league will ask the Provincial Government to act upon during its adjourned session, beginning next week.

Bobbed Shark; Gets Six Months—Percy Budd, charged with stealing two suits of clothes, a gold watch, \$100 in money, a shotgun, a mandolin, and a sweater from a cabin near Esquimalt Harbor, Dr. Fisher pleaded not guilty and was given a respite. The necessary witnesses, according to Mr. G. L. McInnes, of the Attorney-General's Department, will be in quarantine for a month, so that the trial was set for March 22.

San Ray Not Coming—The Canadian Club has failed in its efforts to get Ian Hay, the novelist, to come to Victoria. In a telegram received yesterday from San Francisco by Secretary Frank J. Sehl, Mr. Hay says: "Greatly honored by your kind invitation, but

I am only in Seattle one day and have engagements which will prevent me coming to Victoria. Greatly disappointed." Under the nom de plume of "Ian Hay" Mr. Hay wrote many articles and stories on the Western front, and his "The First Hundred Thousand" is regarded as one of the classics of the war.

To Change Water Works By-law—The main business which will come before the Saanich Council this afternoon will be the proposed change in the water by-law to allow of more than one house taking water from one meter. There are cases in Saanich where a water main runs down one street, and a house taking water from this main is in a position to supply a house directly to the rear which has no water supply by simply running a water pipe through the two lots, and it is to allow of this, and to legalize the making of a charge by the Council for the water used which are the objects of the proposed amendment.

Patriotic Aid Campaign—In connection with the present campaign for the Patriotic Aid Fund, the Prairie Club will hold an entertainment of an educational nature in the High School at 8 o'clock on Wednesday next. The entertainment will be free and no collection will be taken up. Patriotic addresses will be delivered and vocal and instrumental selections rendered. Mr. Schofield, Provincial librarian, will also give a lecture on pioneer days in Victoria. Mr. Joshua Kingham will preside and it is expected that Mayor Todd will also be present. Among the speakers will be the chairman and Mr. War-nicker.

Will Entertain Sailors—The Great War Next-of-Kin Association have invited the boys of H.M.S. Avoca to a social evening in St. John's Hall, Herald Street, Wednesday, February 26. Through the courtesy of Capt. Hardy shore leave will be granted as many of the boys as can be spared. Married Wednesday—On Friday afternoon at 11:35 Fort Street, the Rev. Dr. Campbell united in wedlock Mr. Frederick C. Cattle and Miss Ruby R. McArthur, both of Seattle. They were accompanied by Mr. and Mrs. David T. Williams, of Victoria. After some days in the Empress Hotel, where they are guests, Mr. and Mrs. Cattle will make their home in Seattle. The bride looked very handsome in a neat and becoming travelling suit.

Fire Protection for Mill—Messrs. J. O. and D. O. Cameron, of the Cameron Lumber Company, Ltd., appeared before the City Council yesterday afternoon and asked the city to connect the Gully road and Dunedin street water mains and extend the line into the company's yards so as to ensure a better supply in case of fire. It was explained that lack of force in the water supply seriously interfered with the task of fighting the flames at the Cameron mill last year, and the Board of Fire Underwriters had insisted on the work being carried out if the risk rate was to be reduced. The company would pay the cost of building the ditches and laying the 300 feet of pipe required and only the company's property would be touched. The engineer, fire chief and finance committee were ordered to report.

Flag Called "Vimy Ridge"—Famous Missions, the wonderful dog-collector who has been a member of the Red Cross Funds, has a son of nine months called "Vimy Ridge." The youngster is to "follow in father's footsteps" by adopting a career devoted to patriotic and war work. It seems, as he is pledged to commence collections for the Returned Soldiers' Branch of the Flower Guild as soon as the weather and conditions are favorable. "Vimy" is still too young to feel the dignity of his office, however, and the officers of the Guild will be very glad to get the names of young ladies willing to undertake the role of chaperon for the pup while he does his soliciting on behalf of the Returned Soldiers. Information may be had by telephoning 3457R. The Flower Guild, it should be noted, was formed in 1915, and through its various efforts has raised over \$17,000 for patriotic purposes, the sale of flowers alone netting \$3,500 of this amount. Miss Hudson collected the handsome sum of \$4,500 for the Red Cross

## How You Can Remove Every Trace of Hair

(Toilet Talk)

A stiff paste made with some powdered dextrose and water spread on a hairy surface about 2 minutes will, when removed, take every trace of hair with it. The skin should then be washed with soap and water from the dextrose. No harm can result from this treatment, but be sure it is dextrose you get and you will not be disappointed.

branch of the Flower Guild. The remainder of the \$17,000 has been collected chiefly by Guild members in connection with 33 different tag-days held during the last two years.

Help Wanted—At the first social gathering of the recently organized Victoria branch of the Army and Navy Veterans, to take place at the Alexandra ballroom on Tuesday evening next, the members of the Daughters of Empire in this city have undertaken to provide the refreshments. Just before leaving the city to take over his new post at Halifax, Vice-Admiral Story, chairman of the Veterans' organization, spoke to the Provincial Chapter, pointing out some of the ways in which the I. O. O. E. could assist the society which he represented, and the Daughters are showing practical sympathy with the movement by their action in connection with Tuesday's gathering of the Veterans. Contributions and cakes may be sent to Alexandra House on Tuesday. As the time is short, friends wishing to help are asked kindly to accept the notice. The committee in charge of the supplies consists of Mrs. Hasell, Mrs. Gardiner, and Mrs. Wallace Grims, who will be assisted by member of the Willows Camp Chapter, I.O.D.E.

## ANNOUNCEMENTS

Vocal solos by Mrs. Harry Pooley will be one of the attractive features of the next Sunday evening concert given by the Fifth Regiment Band in the Royal Victoria Theatre, commencing at 8:45 p.m.

Captain and Wife of Crew Lost HALIFAX, Feb. 22.—J. A. Farquhar & Company received word today from Burin, Nfld., that Captain Scott and nine of the crew of the steamer Acadia had been lost when their ship was wrecked on the Newfoundland coast. The chief engineer, second engineer, second mate, chief steward, one sailor and one fireman were saved, the message stated. The Acadia was formerly the steamer Senac, of Halifax. She was bound from Louisburg for St. Pierre Miquelon.

He is quite well known in Victoria, having been for some time a sergeant in the 5th Regiment, while in civil life he practised as a barrister.

**SHIPYARD WORKERS IN STRIKE HUMOR**  
VANCOUVER, B.C., Feb. 22.—Believing that the shipyard situation is approaching a crisis, J. D. McNiven, Deputy Minister of Labor, has advised the Minister of Labor in Ottawa by a lengthy telegram dispatched from here that strike prospects are serious. In regard to the statement made yesterday by Mr. R. P. Butchart, representing the Imperial Munitions Board, the men declare they will have an answer ready within a short time.  
Wanted to exchange, new modern watches for old. F. L. Haynes, 1124 Government Street.

**RECOMBING PROVINCE FOR CLASS ONE MEN**

Registrar's Department Experiencing Renewed Activity—All Exemption Claims to Be Gone Over Carefully.

The Government is evidently not satisfied that all the available men of Class 1 under the Military Service Act have been secured, and recent orders from Ottawa have been followed by renewed activity in Registrar Lennie's office in Vancouver. All exemption claims will be gone over carefully, and many men, it is understood, will be re-examined by the authorities and military and Dominion police will comb the Province afresh for evaders either of the registration order or who have failed to report for duty after having their instructions to do so.

Major W. M. McKay has been appointed by Registrar Lennie in connection with the renewed campaign for the respective tribunals, and he will also be expected to investigate all exemption claims so far granted, attention having been called to the fact that some of the exemptions should not have been given.  
An inspector of the Dominion police is to be appointed for each Province, so that the chief public representative may secure information concerning exemption claimants and also aid the assistant provost marshal in dealing with defaulters and deserters. Major McKay's staff will examine the files in the registrar's office and send out a question form where the circumstances seem to warrant it. These will be required to be filled out truthfully by the man and his employer and returned within three days to the registrar. Should the circumstances seem to justify it, the case will be re-examined by the last military tribunal which dealt with it.  
The provincial registrar has not made any statement of the number of additional men that he thinks it possible to raise by the recombining process, but is evidently hopeful that it will be possible to realize a still bigger proportion of the 100,000 men anticipated when the Military Service Act was brought into force.

**YOUNG PEOPLE JOIN IN WEDLOCK BONDS**

Marriage of Miss Vera Hume, of Vancouver, and Lieut. Clifford Kilpatrick, of Victoria, is Solemnized.

VANCOUVER, Feb. 22.—No wedding of more interest has taken place in the city this season than that which was solemnized at 8 o'clock this evening at St. Paul's Church, when Miss Vera Hume, daughter of Mr. and Mrs. Horace Duncan Hume, of West Point Grey, was united in marriage to Lieut. Clifford Kilpatrick, of Victoria.

Although the wedding was quiet, there was a large number of friends present at the church to witness the ceremony, which was performed by Rev. Harold King, rector of St. Paul's.  
The bride is a native daughter of Vancouver, and has been for some time on the staff of the Vancouver General Hospital, where she took part of her training. Lieut. Kilpatrick is a native son of Victoria, a step-son of Mr. J. A. Aikman, the well-known Victoria barrister.  
In the absence of her father and brother, who are both overseas on active service, the young bride was given in marriage by her grand-uncle, Dr. Alfred English Long. She looked very pretty and graceful in a gown of white georgette crepe heavily embroidered in beads in delicate pastel shades. She wore a bridal veil and orange blossoms and carried

a bouquet of roses and lilies of the valley. She was attended by the bridesmaid, Miss Dorothy Hume, who wore a pretty gown of white satin, with overdress of net and a large pink picture hat, with silver lace, and carried a bouquet of roses. Mr. Morris of this city, uncle of the groom, acted as groomsmen.  
The wedding march and bridal music were rendered by Miss A. R. Dobson, church organist, and a former schoolmaster of the groom. After the ceremony the relatives and a few intimate friends were entertained at a reception and wedding dinner at the Hotel Vancouver. The bride table was decorated with the cake and prettily decorated with flowers.  
Later the happy young couple left on a trip to Portland, Victoria and California, and expect to be away for about six weeks. The bride travelled in a smart suit of navy blue cloth, heavily embroidered with large mauve ribbon hat and black fox fur, the gift of the groom. On their return from the South West, and Mrs. Kilpatrick will spend a short time here before leaving for New York. Lieut. Kilpatrick is home on furlough and is to report for duty in London in April. Mrs. Kilpatrick will accompany him to New York, and hopes to go overseas as a nursing sister.

Both young people are very popular both here and in Victoria. Out-of-town guests included Mr. J. A. Aikman, Miss Olive Kilpatrick, Capt. and Mrs. Hemmel and Miss Georgie Hume, all of Victoria.

**CHAPTER'S POLICY OUTLINED YESTERDAY**

Newly-Organized "Lady Alderson" Branch of I.O.D.E. Holds First Regular Meeting—Officers Named.

The Lady Alderson Chapter, I. O. D. E., held its first regular meeting on Friday, when its policy was outlined and the very special sentiment attaching to it emphasized. The chapter has been formed to commemorate the first Canadian Expeditionary Force, under the Command of General Sir E. A. H. Alderson in France, 1914-16, and the General who was so much beloved by our men, and its motto will be that given by the General in his farewell message to his troops:

"Special Order  
"By Lieutenant-General Sir Edwin A. H. Alderson, K.C.B., commanding Canadian Army Corps.  
"I have been ordered to take up the appointment of Inspector-General to the Canadian Forces. In accordance with this order, I am this day handing over the command of the Canadian Army Corps to Lieutenant-General Hon. Sir J. H. G. Byng, K.C.B., C.M.G.  
"To soldiers 'the order' is a magic word, that is, it goes without saying or questioning that what is ordered is right and for the best.  
"This fact is the only thing that in any way alleviates the intense regret I have at leaving the corps which I have been so proud to command.  
"It now only remains to me to most sincerely thank all ranks of the corps for the splendid support they have given me in all ways; to remind them of the reputation that the corps has made for itself, and to ask them to remember that reputation cannot be lived upon, but must be continually added to, as I am sure it will be, under my successor.  
"Finally, I would ask the corps never to forget its motto:  
"Consentientibus vi trahunt Victoriam" ("Those in agreement seize Victory by force")  
(Signed.) "E. A. H. Alderson, Lieutenant-General, commanding Canadian Army Corps."

It has therefore been agreed that this chapter shall be enrolled as a Provincial Primary Chapter, since the membership may extend widely, and there being no limit except the chapter by-law that no member must leave a chapter with which she is already associated in order to enroll with this one, but may, of course, become a member of this chapter also.  
The obligations are: An annual fee of \$1.00. One per cent of the dues in the case of absent members, these may be addressed care of the secretary, Temple Building, and will count on the roll as attendance at the meeting. The dues will be forwarded to Field Comforts in the name of Lady Alderson.  
The greater work of the chapter will declare itself in some memorial; two questions are already under consideration: One, the establishment of a perpetual scholarship at Kingston Military College to be known as the "Alderson" Scholarship, and to be for the advantage of a boy whose father made the supreme sacrifice, or was permanently disabled in the great war. The other, a share in the suggestion that the I. O. D. E. adopt some of the devastated villages in France and assist in their reconstruction.  
The badge with the blue bar has been forwarded to Lady Alderson, with greetings from the chapter.  
It was announced that wool could be procured at the price quoted to the I. O. D. E. on Monday (a.m.) at the Provincial Headquarters, Temple Building. Mrs. Woodcock kindly undertakes to be convener of the "socks."

**Officers**  
The officers and members of the chapter to date are as follows: Hon. regent, Lady Alderson (England); hon. vice-regent, Mrs. W. E. Oliver; regent, Mrs. Hasell; 1st vice-regent, Mrs. Creery (Vancouver); 2nd vice-regent, Mrs. Thomas Palmer; secretary, Mrs. Wallace Grime; assistant secretary, Mrs. Kimball (Kaslo); treasurer, Mrs. A. F. Griffiths (pro tem); echoes secretary, Mrs. Ricketts; educational secretary, Mrs. Nesoutos; standard bearer, Miss Kathleen Ellis.  
Members enrolled to date are: Mrs. Henry Croft, Mrs. Story, Mrs. J. Thomson, Mrs. Moffat (Fernie), Mrs. W. L. B. Holmes, Mrs. R. S. Day, Mrs. Ralph Smith, Mrs. Nelson, Mrs. W. W. Lewis (Nanaimo), Mrs. Corning, Miss Beryl Gamble, Miss Emma Griffiths (England), Miss Phyllis Green (France), Mrs. Beaumont Boggs, Miss Baxter.  
A resolution was passed to the effect that "New members who are already members of the order might be proposed and welcomed into the chapter the same day." Otherwise the usual procedure for admission into a chapter will be adhered to.

**WIFE OF ESQUIMALT RECTOR IS DEAD**

Mrs. Baugh-Allen Spent Seventeen Years of Her Life on Island—Was Active in Patriotic Work.

A host of friends were shocked to hear yesterday that Mrs. Maryon Agnes Baugh-Allen, wife of Rev. W. Baugh-Allen, rector of St. Paul's Naval and Garrison Church, Esquimalt, had died. She had been ailing for several weeks and on Thursday showed signs of improvement, but a relapse which she suffered early yesterday morning resulted in her death about 7 a.m.  
Mrs. Baugh-Allen was a native of London, England, and was fifty-six years old. She was a daughter of the late Mr. George Jennings. Thirty years ago she came out to Canada with her husband, and, with the exception of thirteen years in Chilliwack, spent the remainder of her life on the island. She took an active part in Esquimalt church social and patriotic work, and she won for herself a great many friends throughout the community who were deeply pained to hear of her loss.

Besides her husband, she is survived by two sons, Cuthbert, of the Government radio service, and Gwilym, of Jackson and Baker, solicitors; and a daughter, Miss Sibyl Baugh-Allen.  
The funeral will be held Monday morning at 10:30 from St. Paul's Church, where the Bishop of Columbia will officiate.

**OBITUARY NOTICES**

The death occurred yesterday at St. Joseph's Hospital of Donald Matheson, of Banff, at the age of 36 years. Deceased was a native of Scotland and arrived in Victoria a few weeks ago seeking to benefit his health. He undertook light duties at the Dominion Immigration Department, but was forced to enter the hospital a few days ago. All that medical skill could do for him was of no avail. The remains in Victoria were embalmed and will be shipped this afternoon by the B. C. Funeral Co. to Banff for interment. Relatives of the late Mr. Matheson reside at Banff. No funeral service will be held here.

The funeral of Mrs. Charlotte Maude Keefer, widow of Mr. Geo. A. Keefer, takes place this morning, leaving the residence, 820 Pemberton Road at 10:15, and proceeding to Christ Church Cathedral, where service will be conducted by Dean Quinlan at 10:30.  
The death occurred yesterday at the home of her daughter, Mrs. Charles Kinney, 1732 Bank Street, of Mrs. Catherine Kelley, widow of the late Daniel Kelley, of Yarmouth, Nova Scotia. Mrs. Kelley was a native of Yarmouth, aged 85 years. The funeral has been arranged to take place on Monday, Feb. 25, at 2:30, from the Thomson Funeral Chapel, where the Rev. Chas. Croucher will officiate. The funeral will be private.

The funeral of Colin Gemmill Cunningham, the four-year-old son of Mr. and Mrs. W. C. Cunningham, of 2549 Beachway Avenue, Oak Bay, took place yesterday afternoon at 2 o'clock from the above residence. Many friends attended the service and the little casket was covered with flowers. Rev. W. Leslie Clay, D.D., officiated and interment was made in the family plot at Ross Bay Cemetery.  
The death took place yesterday morning of John Henderson, aged 37 years, born in Glasgow, Scotland, and a resident of this city for the past thirty years. He leaves to mourn his loss, besides his mother and father, who reside at the Canada Hotel, one brother in Scotland and one sister in California. The funeral will take place on Monday at 2 o'clock from the Sands Funeral Chapel.  
The funeral of William Pearce, whose death occurred on the 20th inst., took place yesterday afternoon at 2 o'clock from the Sands Chapel. Many friends were present and Columbia Lodge, No. 2, L.O.P.E. of which Lodge deceased was a member, turned out in a body to show their last respects to their brother member; they also read their burial rites at the graveside. Many beautiful floral wreaths and sprays testified to the high esteem in which deceased was held. The hymns sung were "Rock of Ages" and "Jesus, Lover of My Soul," and Rev. John Robson delivered a very impressive service. The pallbearers were: Cpls. Price and Waterton, Ptes. Sparkin and Chisholm, and Messrs. W. Parquhar and E. G. Jeeves, brother Oddfellows. A large escort preceded the casket to Ross Bay Cemetery, followed by the band and firing party. Three volleys were fired over the grave and the bugler sounded the "Last Post."

The death took place yesterday at St. Joseph's Hospital of Harry Foster, nine-months-old son of Mr. and Mrs. H. C. Foster, of 3235 Seaton Road. The funeral will take place this afternoon at 2 o'clock from Sands Chapel. Rev. Chas. Croucher will officiate.  
The remains of William A. Frisby, whose death occurred suddenly on Thursday at the Nit Nattina Packing Company, were forwarded to Seattle yesterday afternoon by the Sands Funeral Company for cremation. The deceased was 55 years of age and born in Vallejo, California, and leaves to mourn his loss, besides a widow residing in Bellingham, Wash., relatives in California.

**GIRLS! MAKE A BEAUTY LOTION WITH LEMONS**

At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as sallowness, freckles and tan, and is the ideal skin softener, smoother and beautifier.  
Just try it! Get three ounces of orchard white at any pharmacy and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It naturally should help to soften, freshen, bleach and bring out the roses and beauty of an skin. It is wonderful to smoothen rough, red hands,

## ROBUST CHILDREN

Give the growing children food that you know will build up muscle, bone and tissue—that will supply the energy to make them active as children should be.

Kellogg's Toasted Corn Flakes is just that kind of food—rich in bone and muscle-making proteins—more so than milk or beefsteak. Rich also in heat-producing carbohydrates which enable complete and easy digestion.

Being easily digested, Kellogg's Toasted Corn Flakes are fully assimilated. They make the ideal three-times-a-day food, not only for children—but also for grown-ups.

Sold only in the original red, white and green package.

## TELLS HOW WAR HAS AFFECTED UNIVERSITY

Professor Bruce Clark, of Washington State University, Now Visiting Dr. Plaskett at Observatory Hill.

Dr. Bruce Clark, professor of Modern Languages at Washington State University, arrived on the boat from Seattle yesterday afternoon and will be a guest of Dr. and Mrs. Plaskett at Observatory Hill over the weekend. He is accompanied by Mrs. Clark.

Professor Clark just recently became attached to the faculty of Washington University, until Christmas having been teacher in the English department at the University of Toronto. At the invitation of the University of Washington he came West at the beginning of the present year, commencing his duties on the reopening of the classes in January.

The effect of the United States' entrance into the war is apparent in their universities as well as elsewhere, he stated. Although he could not state definitely just what proportion of the decrease in student-enrollment in Washington University was attributable to this cause, he understood that there had been a falling-off of over thirty per cent in the attendance at the institution last year. This, of course, included both men and women students. Last term (before Christmas) there had been a marked falling-off also, although not so heavy as in the present term. Before the war the attendance in all departments totalled something in the neighborhood of 4,000.

"Enlistment from the students at Washington University has been very good. Probably no American University had sent a bigger proportion of its men into the army than ours," he stated. He noted that at Washington State University as well as at Toronto University, which he so recently left, a great majority of the male students were in uniform, nearly all being in officers' training corps while continuing their studies.

"And at the University at Seattle a number of our women students are leaving to take up some branch of work indirectly helpful to the conduct of the war," he continued. He cited particularly the case of five girl students who were leaving this week to take up positions as telegraphists.

Another effect of the war was that interest had been greatly stimulated in French and Italian, and classes have now been opened in the University for the teaching of "military" forms of both these languages, with a vocabulary which comprises all the modern military terms which are like-

## FATHERS AND SONS MEET AT BANQUET

Stirring Tales of the Front Told by Capt. Pearson at the Y. M. C. A.—Mayor Todd Presided.

### CHANGES ARE PENDING IN SAANICH POLICE

Aliens Are to Register Forthwith and Cyclists Will Have to Carry Lights After Sunset

Important changes are pending in the organization of the Saanich police force, this being the subject which took up most of the time of the Commissioners at Thursday night's meeting. Several suggestions were discussed, but no decision was arrived at; the matter being left over until the next meeting in order that the Commissioners may give more thought to the various proposals.

The Commissioners gave instructions that all aliens now resident in Saanich shall be required to register immediately. It is reported to the Board that there are about a dozen aliens of various nationalities in the district, none of whom are registered at present.

The Commissioners announce that, commencing with April 1, they will enforce the by-law which requires bicycle riders to carry lights after sundown. This is being done as much in the interest of the riders as in that of the general public, there having been many cases recently where cyclists without lights narrowly escaped serious accidents, due to the large amount of motor traffic on the paved roads. Cyclists using the sidewalks are also going to be more carefully watched, for the Board felt that, while there are stretches of poor roads which provide excuses for cyclists who ride on the sidewalks, yet the foot passengers come first, and their rights will be more carefully looked after during the year.

Representations will be made to the Saanich Council to suggest the advisability of universal use of rear reflectors of some kind on all cycles being brought before the Union of B. C. Municipalities in order that the Government may make this compulsory. It was pointed out that many cyclists, riding along the edge of the road, have had to get into the ditch through being run into from the rear by motorists who could not see them until too close, and the use of such reflectors, which would catch the light of motor headlights and so warn overtaking cars, is felt to be necessary nowadays.

It is not only good business but necessary precaution to have your will made. Don't put it off. Get Bax Legal Will Form from stationers, 35c. Be sure it's a Bax—simple—full direction and specimen will guide you. Sold in Victoria by David Spencer's Stationery Dept.

The Father and Son banquet held at the Y. M. C. A. last night was a great success. The floor of the gymnasium was covered with the tables, at which some three hundred or more sat down to the good fare provided by the Ladies' Auxiliary, and the smiling faces seen on every hand were evidence of the appreciation of the occasion.

Mayor Todd presided and in his opening address said that before the war every one knew a little about the work done by the Y. M. C. A., but few thought that it would ever become the great institution that it has owing to the present war; he had spoken to a large number of returned soldiers and each one had spoken in the highest terms of gratitude of the work done by the Y. M. C. A. at the front. The Mayor also took occasion to speak on the campaign for greater food for the front. The campaign for the cultivation of vacant land in Victoria was very successful, Victoria ranking fifth of all the cities of the Dominion for results. This year, if all make up their minds to work for it, the Y. M. C. A. get behind the movement, Victoria might well rank first instead of fifth. He wanted to see a band of "soldiers of the soil" enlisted, and stated that cycling could be offered to the younger people for cultivation of vacant land.

Following his address the following toasts were proposed: Lewis Fatt proposed the Ladies' Auxiliary of the Y. M. C. A. Mr. H. A. Beckwith replied in humorous vein. Our Dads was proposed by Arthur Bird and Delmer Battrick, each of whom acquitted himself well, though the former was rather didactic in laying down rules for the guidance of fathers. Mr. A. E. Foreman, in his reply, paid a tribute to the work of the Y. M. C. A. in doing for the sons. Ald. Johns proposed our sons, Ernest J. Knappton replying. One of the best speeches of the evening was made by Bruce Hutchison in telling what "Over the top" meant to him, in which he showed that he realized the responsibility which rested on the boys of his generation after the war for civilization was ended. Ignorance was the true cause of the great war, in his opinion, and the rising generation must go "over the top" with knowledge and education.

Sgt. J. W. Smith told of what "going over the top" meant to him and how he had been sustained in the hour of trial by the thought of those at home, for whom he gladly went over and would do so again if wanted when restored to health and strength. He also spoke of the great work of the Y. M. C. A. at the front, saying that the Y. M. C. A. was today the backbone of the front line.

Capt. Pearson, one of the first Y. M. C. A. secretaries to go to the front, took for the subject of his address, "The Dangers in France," and told in very graphic and stirring manner of the perils which the brave boys over there had to face, giving details of some of the perils and hardships of life in the front line.

In describing the barbed wire used by the Germans he said he had been asked why our armies did not use the same kind. The reply was that the Germans used theirs in the hope of staying where they were. We did not mean to stay where we were, but the most appalling thought which came to him in connection with the war was the thought of the 40,000 dead and more, the cream of Canada, resting in France. It was not the numbers, but the kind of men they were and it was our duty to see that that kind was reproduced in the rising generation.

Following his address, short speeches were made by Mr. George Ross and Mr. Dallas, boys' work secretaries of Vancouver and Edmonton, and the presentation of a gold souvenir was made to Mr. Whittington, a retiring director, by Mr. Drake, vice-president of the local Y. M. C. A., as a recognition of his long and valued services.

During the banquet some such appreciated oratory as was given and Mr. J. Dunford sang two songs which were well received.

### RED CROSS WORK

North Ward Branch. The monthly meeting of the North Ward Red Cross Committee was held on Monday evening last with 18 members present. Mrs. Bradshaw presided. The fortnightly card parties held during the winter have proved a great success. The next one will be held on February 28, and this time will be a little varied from the usual course. The game of five hundred still is popular, but any party wishing to forgo a run into any game or games desired. This will make a pleasant change and will no doubt ensure a merry evening. For particulars telephone No. 2810L. On February 9 Miss Hewlings gave an enjoyable piano recital. The pro-

### Dandruff Heads Become Hairless

If you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring to bed, and in the morning wash and rub it in gently with the finger tips. By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it. You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

**PRODUCE 10,000,000 POUNDS OF VENISON**

United States Food Conservation Authorities Secure Statistics As to Number of Deer Killed Annually

The Biological Survey of the Department of Agriculture of the United States has requested game commissioners, conservation societies and sportsmen's associations to secure accurate statistics on the number of deer killed in each State this year.

This information is desired by the Food Conservation Department.

The shooting of deer is permitted in 33 States, and the Biological Survey estimates that 80,000 are killed legally every year. These produce nearly 10,000,000 pounds of venison. Every pound of venison should be made to save a pound of pork, beef or mutton. Every pound saved will aid the United States in feeding hundreds of thousands in the devastated cities on the other side of the Atlantic. These people are dependent upon America for food.

The Biological Survey heads are of the opinion that with the best possible protection the total number of deer in each State can be increased 25 per cent. All sportsmen are urged to co-operate in securing this protection so as to get the maximum amount of venison as a source of meat.

It is estimated that 50,000 deer were killed in the Adirondacks this season; in fact, so many were killed that the New York Conservation Commission became suspicious and sent game protectors from the southern section of the State to the mountain regions in the guise of sportsmen to unearth evidence of wholesale deer law violations.

They did.

The dragnet landed hotel and boarding house proprietors, guides, hunters and residents, who were detected killing deer, running deer with shotguns, and committing practically every other possible infraction of the law. The game protectors were unable to "get the goods" on the hunters, etc., because they were too well known and their movements were heralded in advance.

**The Bag in Various States**

Eleven hundred bucks were bagged in the one-week season in thickly populated Maine, and 281 bucks were killed in the nine-day season in Vermont. Thousands of deer were killed in Maine, but just how many are not in a position to say, because figures are not available; but the fact that 2,082 were shipped out of Bangor gives one an idea of the number brought down. There has been too much snow in New Hampshire for the hunting of bucks.

Deer have multiplied so fast, especially deer, in some sections of Pennsylvania, that they have become a nuisance and a menace, and a great many sportsmen favor an open season of one year on deer. Numerous complaints have been made to the Game Commission by farmers, who allege that deer have ruined their fruit trees.

After New York had a 12-year closed season on deer it was necessary to have a two-year open season. Deer became so plentiful that it was deemed wise to reduce their numbers. Deer have multiplied just as fast in Pennsylvania. It would be fine if some arrangement could be made whereby deer could be taken from States where they are too plentiful and placed in the States where they are scarce. This would help the food situation a whole lot, also aid in solving the problem that confronts many game commissioners now.

**VIMYS ARE WINNERS OF FINAL TUSSLE**

WINNIPEG, Feb. 22.—Vimys won the last game of the military hockey league here last night from the Sommes, 4 to 1, in a hard-fought game in which the winner was in doubt until the last minute. There were many injured, Binney in goal for the Sommes collapsing, and Walter Small being put out of business.

The first elimination series for the right to play for the Allan Cup will take place next Monday and Wednesday, when the Brandon Military League winners play the Ypres, of Winnipeg.

**SCHEDULES FOR NEW SOCCER LEAGUES**

The schedule for playing off the Garrison Charity Cup soccer competition, which is the name given to the new combined Wednesday and Saturday leagues, was announced yesterday. The Wednesday dates have been fixed, but it has not yet been found possible to definitely fix the Saturday dates.

**DATE FIXED FOR CRICKET MEETING**

The annual meeting of the Victoria and District Cricket Association will be held on Saturday, March 9, at Christ Church schoolroom at 8 o'clock, when it is hoped all clubs will make point of being represented. In addition to the election of officers for the year and other important business, the discussion of Wednesday cricket will come up. It is suggested by the Association secretary that the various clubs should hold their meetings previous to the Association meeting in order to be sure of proper representation at the latter.

**PORTLAND WINS GAME IN OVERTIME PLAY**

PORTLAND, Ore., Feb. 22.—After two periods of indifferent skating, the hockey game between Portland and Vancouver tonight suddenly became a real contest, and after 20 minutes and 20 seconds extra play Portland won 2 to 1.

Stan Marples, substituting for Tobin, scored the deciding goal 20 seconds after the fifth period opened. It was a beautiful rebound shot.

Vancouver scored its only tally 17 minutes after the game started. Tobin played a remarkable game, and was out for a brief rest when Marples scored the winning shot.

**SOCCER TEAMS DRAW IN GAME AT SEATTLE**

SEATTLE, Feb. 22.—The international soccer game between the Canadian All-stars and the Seattle All-stars, played today at Liberty Park, resulted in a tie score—four goals to four. The regular time was played, and when the decision could not be reached at the end of the third Alex Rose called the contest a draw.

The game was one of the most interesting contests ever seen here. The Seattle club was in the lead nearly all the way, but the invaders—finished strong, and tied the score five minutes before time was called. The play finished with both sides fighting hard for the goal that would win.

The visitors will play in Camp Lewis on Sunday, and a play-off will not be held here. It is hoped that the Canadians could be seen here later, but it was impossible to arrange a date.

**KIECKHEFER WINS**

CHICAGO, Feb. 21.—Augie Kieckhefer, of Chicago, tonight won first place in the Ambulance Fund three-cushion billiard tournament, which has been in progress here for some time, by defeating Bob Cannofax, of St. Louis, 50 to 43, in 62 innings. Kieckhefer's record for the tournament was 10 games won and 3 lost. A victory for Cannofax tonight would have left a three-cornered tie between Kieckhefer, Cannofax, and Charles Ellis, of Milwaukee, but his defeat pushed him down to third place, with Ellis in second.

CHICAGO, Feb. 22.—Pitcher Dave Danford of the Chicago Americans, signed a contract for 1918 yesterday, dispelling reports that he was a hold-out.

**The Wellington THE UNIVERSAL PIPE**

**PUT your good tobacco into a good pipe**

A Wellington Pipe. The well catches the moisture. All you draw through the stem is clean, sweet, dry smoke. Every Wellington bears the W.D.C. triangle trademark—mark of pipe quality—sign of good French briar, well seasoned. All shapes and sizes, 75 cents and up. Pick yours.

## AGRICULTURISTS OF LADYSMITH IN SESSION

Last Year's Fall Show Was Successful Financially—Appeal to Government for Assistance in Building.

LADYSMITH, B. C., Feb. 22.—The annual meeting of the Ladysmith Agricultural Society was held last evening in the City Hall. In past years the interest taken in these meetings has been rather disappointing, but the night's attendance showed renewed enthusiasm, which indicates a general awakening of the agricultural interests in this district.

President Bryant, in opening the meeting, expressed his pleasure in seeing so many interested members present, but regretted the fact that so few of the outside ranchers had been unable to come in. This he attributed to the bad condition of the country roads, which are almost impassable after dark.

The statement as submitted by the treasurer showed the society to be in a flourishing condition financially. The receipts of the year from all sources totalling nearly \$1,000, and after the payment of all prizes and expenses of the Fall show and \$250 on account of the recently acquired grounds, an amount of over \$100 still remained in the treasury. On motion of Mr. J. Stewart, seconded by Mr. J. A. Hartley, the treasurer's report was adopted and ordered filed.

The president, in reviewing the work of the year, stated that although the directors had worked under difficulties much had been accomplished. The society had been successful in acquiring a valuable property at a very low figure and had already paid one-half of the purchase price. This property was a big asset, as there had already been improvements made to the extent of about \$3,000. The directors had sent delegations to the Government request-

ing assistance in building an agricultural hall, and these delegates would make their own report later in the evening. The Fall show had been a success, although it had been unfortunate, in the matter of weather and handicapped in being compelled to use a building which, although the best available for the time being, was quite inadequate to do justice to the quality and quantity of exhibits displayed. The president assured the members, however, that every possible effort would be exerted to remedy this difficulty before the 1918 show. In conclusion, he urged the members to exert every effort toward making this a banner year for membership, production and exhibition.

The secretary reported on the interview with the Government regarding assistance for a building. The Minister of Agriculture and members of the cabinet were all satisfied that New-castle had not received the aid or encouragement along agricultural lines to which they were entitled and would like to give the assistance requested. After taking all figures and arguments into consideration, the ministers promised to discuss the matter in their next executive meeting and see if something could not be done to assist the district.

Numerous suggestions were made for the 1918 campaign, the chief among these being a public meeting for ranchers and all others interested in agricultural development to be held about the middle of March. Mr. W. E. Scott, Deputy Minister of Agriculture, will be asked to attend this meeting and address the farmers.

Before proceeding with the election of officers, a vote of thanks was extended to the retiring officers and directors. A motion was also adopted increasing the number of directors from nine to twelve. The following officers and directors were elected for the ensuing year: Hon. president, Parker Williams; hon. vice-president, Rev. Father McLean; hon. second vice-president, W. J. Watson; president, Theo. Bryant; vice-president, A. G. Vercheret; secretary-treasurer, E. W. Forward; Director—South Oyster district, F. A. Reed, C. F. Street; North Oyster district, L. S. Grouhel, Henry Trudel; E. & N. Sub-division, J. A. Hartley, G. W. Scott, John Stewart; Ladysmith City, E. J. Johnston, W. E. Akenhead, G. H. Cayin, I. E. Lewis and A. I. Tranfield.

Before adjourning the following resolution was adopted: "That a vote of thanks be tendered Mr. D. M. Carley, editor of The Ladysmith Chronicle, for his liberality in placing the columns of his paper at the disposal of the society in giving publicity to their work during the year."

Do your best where ever you can, To stand behind the soldier man.

## RETURNS HOME AFTER BEING TWICE WOUNDED

Sapper Roger Hilton, of Nanaimo, Had Been Overseas for Nearly Three Years With Tunnelling Company.

NANAIMO, Feb. 22.—Sapper Roger Hilton, who left for Overseas nearly three years ago with a tunnelling company, returned to the city last evening. Sapper Hilton is well known in Nanaimo and has been returned home after being twice wounded, now being unfit for further service. Advancing word of the returned soldier's home coming was not received by the committee, and as a consequence, outside of a few intimate friends of the family, there was no one at the wharf to welcome the returned hero home.

### NANAIMO NOTES

Mr. A. McMeare, of Brantford, Ont., arrived in the city yesterday and intends spending several weeks visiting the Island cities.

Mrs. William Allan, Miss Allan, and Mrs. E. Norman, of Ladysmith, are visitors in Nanaimo.

Mr. H. J. Johnstone, of Winnipeg, is a business visitor in town.

Mr. H. N. McLaren, of Montreal, after spending a short visit to Nanaimo, has returned to the Mainland.

Among the Vancouver visitors registered at the Windsor Hotel are: Mrs. H. W. Sharp, Mr. J. W. Watson, Mr. C. Gilling and wife, Mr. F. Wolfe, Mr. H. P. Peterson, Mr. F. O. Roying, Mr. H. N. Smith, Mr. George Bell, Mr. G. S. Barr, Mr. N. J. Crooks, Mr. D. H. Currie, Mr. C. D. Bertram, Mr. G. G. Madden, Mr. H. Elphick, and Mr. V. Burns.

Victoria visitors registered at the Windsor Hotel are: Mr. W. Peterson, Mr. E. R. Coates, Mr. L. E. Gregg, Mr. H. Woolson, Mr. J. Galloway, and Mr. P. J. Pearson.

Mr. E. C. Hall, of Winnipeg, is spending a few days in Nanaimo visiting friends.

Mr. and Mrs. Cecil Wilby, of Northfield, after spending the past few days in Vancouver visiting relatives, returned on the Princess Mary last evening.

Mr. H. B. Webb, of New Westminster, is a visitor in town.

Miss Etta Pollard, has returned to Victoria after spending a few days with her aunt, Mrs. McKinney, Milton Street.

Mr. F. I. Buckell, of Hornby Island, is visiting friends in the city for a few days.

Mr. E. I. Doctor, of Seattle, arrived in the city yesterday and intends spending several days in the district on business.

Mr. Thomas Cunningham, after spending the past few days in the capital on business, has returned to the city.

Mr. R. Tait, of South Wellington, was a visitor in town yesterday.

Mr. Thomas H. W. Caulty, of Calgary, after visiting the city for a short time, returned to the Mainland this morning.

Nurse Fentman, of the Duncan hospital staff, passed through the city yesterday en route to Vancouver, where she will spend a few days with her parents.

Mr. John M. Rudd is spending a few days in the Terminal City on business.

Mrs. F. S. Cunliffe, after spending several days in Vancouver visiting her parents, has returned home.

Mrs. Henderson, of Vancouver, who has been visiting during the past three weeks with her sister, Mrs. Walter Fraser, returned to the Mainland yesterday.

Mr. and Mrs. Grahame returned to their home in Vancouver yesterday after visiting Mrs. Grahame's parents, Mr. and Mrs. J. D. Stewart, Victoria.

Mr. Reuben Holland, of New Westminster, who was called to Nanaimo owing to the death of his mother, returned home yesterday. Mrs. Carlotta Edwards, returned home yesterday.

Passengers from Vancouver on the S.S. Princess Mary last evening were Mr. James Galloway, Mr. William Hyatt, Mr. James Brown, Mr. H. McArdie, and Mr. and Mrs. F. S. Cunliffe.

Mr. F. W. Renworth, of Vancouver, is in the city in the interests of the Manufacturers' Life Insurance Company.

Mr. W. W. Lewis has left for Vancouver, where he will spend a few days on business.

Mrs. H. Devlin and Miss Devlin returned yesterday from a short visit to the Mainland.

Miss Hazel Martin leaves Victoria today for San Francisco, where she will spend several months visiting relatives and friends. Miss E. Wilcox accompanied her as far as the Capital.

The Red Cross Society yesterday shipped six cases of supplies to the front. They contained 312 pairs of socks and 126 suits of pyjamas.

A masquerade dance will be held in the city in the interests of the Manufacturers' Life Insurance Company on Saturday, March 2.

Mr. C. Monk, of Victoria, is spending a few days in Nanaimo on business.

Delegates Return. Ald. Morton and Ald. Busby, who were Nanaimo's representatives at Victoria during the discussion about the development of the iron ore resources of Vancouver Island, returned to the city yesterday. Mayor McKenzie, owing to the increased amount of work on the Government rock crusher, was unable to get away.

To Investigate Conditions. Mr. McKay Fraser, of the Departure Bay biological station, has been appointed by the Dominion Government to investigate the conditions of the fisheries of Cowichan Bay in reference to the petition of the Duncan Board of Trade for the cancellation of the licence granted the Beacon Fisheries Company.

Returning Home. Pte. J. Sneddon arrived at Halifax from overseas on Saturday last and may therefore be expected to arrive in Vancouver within the next few days.

Board of Trade Meets. Mr. C. L. Rowe, Mr. Ballantyne, and

### TO RELIEVE CATARRHAL DEAFNESS AND HEAD NOISES

If you have Catarrhal Deafness or head noises go to your druggist and get 1 ounce of Parmit (double strength), and add to it hot water and just a little sugar as directed in each package. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial.

**PRESENTED WITH WATCH**

NANAIMO, Feb. 22.—Mr. Eugene Heinel, who is leaving in a few days for the United States to join the American Forces for service Overseas, was presented last evening by Nanaimo Lodge Loyal Order of Moose with a wrist watch.

Mr. Heinel, who is secretary of the Order, is well known in Nanaimo, and at the regular lodge meeting last evening the members, appreciating his work since his connection with the Order, presented him with this token. The presentation was made on behalf of the members by Past Dictator W. Fulton, Mr. Heinel replying in a short address suitable to the occasion. Past Dictator Al. Davis occupied the chair, and during the course of the evening a programme was rendered, among those taking part being Mr. G. Rowland, Mr. E. G. Heinel, Mr. W. English, Mr. W. Higgins, Mr. W. Fulton, Mr. Bell, Mr. Kirkbride and Mr. Robinson.

**W. KERR BURIED**

NANAIMO, Feb. 22.—The funeral of Walter Kerr took place this afternoon from the family residence on Third Street, Newcastle Townsite. The funeral was under the auspices of the Brethren Lodge.

**Women May Be Candidates**

TORONTO, Feb. 22.—J. C. Elliott, West Middlesex, introduced a bill into the legislature today to remove the disqualifications of women as candidates for the legislature. The bill was given its first reading.

Plan to feed your family patriotically.

Save flour in all your baking and get better results by using

More Bread and Better Bread

**HAD NARROW ESCAPE**

NANAIMO, Feb. 22.—Mr. Peterson and Mr. Silva, two well-known Gabriola residents, had a narrow escape from drowning on Friday last when the launch they were returning home in broke down and was smashed to pieces on the rocks.

As Mr. Peterson and Mr. Silva were rounding the north end of Gabriola Island the engine broke down when the storm was at its height. Drifting on the rocks, the boat became a total wreck, while its occupants were only able to save themselves by swimming for quite a distance in the icy water. Although the hull of the boat was smashed to pieces on the rocks, Mr. Peterson was able to save the engine at low tide. Friends of Mr. Peterson and Mr. Silva are congratulating them on their narrow escape from drowning. It was fortunate that they were good swimmers.

**KATHERINE E. GODFREY DIED ON THURSDAY**

NANAIMO, Feb. 22.—The death occurred yesterday of Katherine Edna Godfrey, five months old daughter of Mr. and Mrs. John H. Godfrey, of East Wellington. The funeral will take place from the residence of Mr. Charles Hosko, East Wellington, on Saturday afternoon at 2 o'clock. Rev. Frank Hardy officiating.

A Dollar in time saves suffering. Send it to the Patriotic Aid Fund.

### Gospel and Prophetic Lectures

By W. J. McClure in the Victoria Hall, Blanshard Street

Subject at 4 p.m. Sunday: "Romanism as Seen in Matt. 13 and Rev. 2." 7:30 p.m.: "Protestantism, or the Revival of the 16th Century, and Its Results as Seen Today"

During the week the course of the church as seen in Matt. 13 and Rev. 2 and 3 will be traced right up till the coming of the Lord. After this the subject of the Place and Portion of the Church in the Millennium will be taken up, when it will be shown that there is yet a thousand years of blessing and peace for this present earth. All invited.

The above is a scene from "Aladdin and the Wonderful Lamp," the fascinating Arabian Nights story which will be presented in its picturized version by the Fox Kiddies on the screen of the Dominion Theatre next week.

## At the Playhouses

### AMUSEMENTS TODAY

Stage  
Pantages Theatre—Vaudeville.  
Screen  
Royal Victoria—"The Judgment House."  
Dominion Theatre—"Our Little Wife."  
Variety Theatre—"The Devil Stone."  
Columbia Theatre—"Charity Castle."  
Romano Theatre—"The Eighth Annual Roundup."

### PANTAGES THEATRE

Leading the six fascinating acts at the Pantages Theatre this week is Billy King's "Exploits in Africa," which is chiefly a singing act, and as such one of the best seen in months at this theatre. The costumes are picturesque and elaborate and a good deal of bright comedy holds the songs together. The audience has been laughing most of the time at Lew Hyton and Alice Lazar. Countess Verona, a young and talented gipsy musician, plays Dvorak's "Humoresque" and compositions of her own on the cymbalom. Lawrence Johnston is admired for his songs, and jokes, features of his ventriloquial act, and Ellen Flaury, with a capacious contralto voice of dramatic quality, also strikes a popular note. Some novel stunts on the horizontal bars are performed by the three Steiners.

### ROYAL VICTORIA

Sir Gilbert Parker, the famous novelist, whose book "The Judgment House," will be shown in its photodramatic version at the Royal Victoria Theatre today for the last time, expressed himself as being delighted with the results of the artistic work devoted to its production when he witnessed a private showing of the splendid picture at the Oyster Bay home of Commodore J. Stuart Blackton, the producer.

"It was a masterful piece of work," said the eminent writer, "and I frankly confess that I could not have written a scenario. Were someone to offer me \$5,000 this minute to write a three-reel scenario—much less a seven-reel one—I would have to decline." Fatty Arbuckle in his rollicking comedy, "A Country Hero," is keeping the audience at this theatre in continual merriment.

### DOMINION THEATRE

With the appearance of Madge Kennedy in motion picture productions there suddenly flashed upon the vision of millions of screen patrons a girl with eyes that fascinate everyone by their liveliness and their beauty. In these eyes is more fun than you have ever seen before in the eyes of a woman. They are laughing, teasing, pleading, innocent, wise, beautiful and challenging eyes. And beneath the eyes there is a smile that is the most dazzling and infectious smile that ever was caught by a motion picture photographer's camera.

In the latest Goldwyn picture, "Our Little Wife," which is being shown to delighted audiences this week at the Dominion Theatre, Miss Kennedy plays the role of a feminine Lothario. As the bride of a luckless chap who is slow at catching on how to rule with an iron hand, she flirts and flirts and

## ROSE'S LIME JUICE

DELICIOUS, WHOLESOME, REFRESHING.

On all good Grocers and Druggists. Sole Proprietors, L. BROSSE & Co., Ltd., London, Eng., and Dominion, B.V.I. Dominion Agents: HOLBROOKS, Ltd., TORONTO & VANCOUVER.

## Certain-teed Roofing

The most efficient roof for factories, warehouses, office buildings, hotels, stores, garages, barns, out-buildings, etc. Made in shingle form for residences.

Certain-teed is weather-proof, clean, sanitary and fire-retarding. It is not affected by fumes or gases, and does not rust or corrode. Neither does it melt under the hot sun. Because it is lighter than other types of roofs, it requires less to support it.

Certain-teed is economical. Its first cost is low. It is inexpensive to lay, and it costs practically nothing to maintain. Guaranteed 5, 10 or 15 years, according to thickness.

There are many roll roofings, but there is only one Certain-teed. Remember the name by its meaning—Certainty of quality and Guaranteed satisfaction.

For sale by best dealers, everywhere.

known for elaborating. Suffice to say that they are being recorded again in her screen career.

**COLUMBIA THEATRE** Mary Miles Minter, conceded by many to be the prettiest little girl on the screen and whose successes are legion, has been given an excellent medium for her special genius in the portrayal of childish innocence in "Charity Castle," which is being screened at the Columbia Theatre today.

The principal aspect of the plot—Charity's intercession for the wild young son of a hard-hearted old millionaire who has decided to discard the waster—Miss Minter has a great chance for display of her emotional genius and in her conversion of the ogreish old man to a charitable and forgiving view of human activities, she displays the highest form of dramatic ability. "Charity Castle" is a play in which Miss Minter shines with rather more than her usual lustre.

**ROMANO THEATRE** Three reels of thrilling adventures and genuine entertainment mark "The Eighth Annual Roundup," an unusually appealing picture for admirers of the great Northwest, and spectators who are witnessing it on the screen of the Romano Theatre are being thrilled with the marvellous exhibition of horsemanship, one of its chief features of interest. It depicts a roundup which took place last year in Pendleton, Oregon, in very realistic fashion and carries the spectators through many exciting scenes. The enthusiasm of a small boy for pictures, showing bucking bronchos, racing, roping, steer-throwing, Indian War Dances and such like, may be satisfied by taking him to see this feature today.

# Men and Guns Germany Gains By Russia's Surrender

When the Russian Muzhik trades his machine-gun to the Germans for a drink of vodka, as many are doing, he comes near typifying the act of his Bolshevik superiors in giving up their military power for an intoxicating dream of anarchistic liberty. Like them, too, he may hit off the transaction with some fine phrase that seems to sanctify his murderous bargain.

Declaring piously that they can not continue a war with the German and Austrian workers, they release those unhappy workers for transfer to the Western front where they may soon be thrown in masses at the Allied guns with far more disastrous results to themselves than if they had remained in the quiet trenches of Poland.

What is of most concern to the Canadian people, however, is what gain Germany has made in men and guns by Russia's unconditional surrender, and in the leading article in THE LITERARY DIGEST for February 23, there is a careful examination of this phase of developments on the Eastern front, and other contingencies that may arise in the near future.

- Other articles of almost equal importance in this number of "The Digest" are:

### How to Test the Actual Worth of "The Digest"

If you pride yourself on being an up-to-date, wide-awake citizen, which of course you do, here is a little test that will surely interest you. Buy the current number of THE LITERARY DIGEST at the nearest news-stand, or borrow it from a friend, and sit down and read it. You will be surprised, startled, thrilled. The world will seem bigger to you, and closer. The things that have been puzzling you will become clear. You have thought of "The Digest" heretofore as one of a number of magazines that did not concern you. Now you will realize that it is just THE ONE you have been really needing all the time. It keeps you informed on all the big, live topics of the hour. It is a good thing you simply can't afford to miss. Test "The Digest" today.
